

Augusta Kindergarten Roundup

Important meeting about Kindergarten for next year

There will be a parent informational meeting on Thursday, April 5, 2018 at 6:45 in the Commons at Augusta High School.

During this time we will provide necessary documents and explain the enrollment process. Additionally, one of our District's nurses will discuss required immunizations.

- This is for parents/guardians and students need not attend
- Bring a **copy** of the child's official state birth certificate
- Bring a **copy** of the child's immunization record

In order to be enrolled in Kindergarten for the 2018-2019 school year, a child must be five years old on or before August 31, 2018.

Each of our elementary schools will schedule a date and time in April to talk about Kindergarten, tour the building, collect the paperwork, and talk about a parent questionnaire called "Ages & Stages."

We will discuss making an appointment in August to bring your child in and, while you are taking the questionnaire online (approx. 30-40 min.), the teacher will work with your child.
