

# Augusta Kindergarten Roundup

## Important meeting about Kindergarten for next year

**There will be a parent informational meeting on Thursday, March 28, 2019 at 6:30 in the Auditorium at Augusta High School.**

During this time we will provide necessary documents and explain the enrollment process. Additionally, one of our District's nurses will discuss required immunizations.

- This is for parents/guardians. Students need not attend.
- Bring a **copy** of the child's official state birth certificate
- Bring a **copy** of the child's immunization record

In order to be enrolled in Kindergarten for the 2019-2020 school year, a child must be five years old on or before August 31, 2019.

Each of our elementary schools will schedule a date and time later in April or May to talk about Kindergarten, tour the building, collect the paperwork, and talk about a parent questionnaire called "Ages & Stages."

We will discuss making an appointment in August to bring your child in and, while you are taking the questionnaire online (approx. 30-40 min.), the teacher will work with your child.
