

Buna ISD Goals 2021-2022

Students

- Buna ISD will focus on every child receiving at least one year's growth in one year's time. Areas of continuous growth will include academics, college, career, and military readiness. Instructional technology will be utilized to engage all learners and to prepare students for jobs in the 21st century.

Faculty

- Buna ISD will recruit, hire, and retain highly qualified teachers and staff.
- Teachers will be provided academic support, coaching, and resources in an effort to provide first-class learning opportunities for our Cougars.

Facilities

- Buna ISD will continue to upgrade facilities in an effort to provide a safe and clean learning environment that students and staff are proud to call their own.

Finance

- Buna ISD will be good stewards of taxpayers' money and ensure all funds are used to enhance student and teacher capacity.

Safety

- Buna ISD is dedicated to providing a safe and secure learning environment for all students and staff. This includes secure facilities, proper emergency training, well-equipped and trained district police, and communication with outside agencies.
