

Registering for Courses

Course Registration

Opening SchoolObjects:Workshop displays the Course Registration page, which enables you to view courses by time, course category or by the credit that is given for the course.

The screenshot shows the SchoolObjects:Workshop interface. On the left, there is a navigation menu with the following items: 'Registered Courses', 'View by Date and Time', 'View by Category', and 'View by Credit Type'. Arrows point from these menu items to the corresponding sections on the right. The right side of the page is titled 'edupharial - Microsoft Internet Explorer' and shows the URL 'http://www.schoolobjects.com/workshop/'. Below the navigation menu, there are sections for 'I am registered for...', 'View Courses By Date & Time', 'View Courses By Category', and 'View Courses By Credit Types'. Each section contains a list of course titles and brief descriptions.

To register for a course:

1. Select an option under either Date & Time, Category or Credit Types
2. A list of courses will be displayed
3. Select an item to view the course details
4. To register, click the **Register** button in the toolbar.

You will receive an email confirming your registration. If the course is full, you will be registered with pending status and if an opening occurs you will be automatically enrolled and notified via email.

The screenshot shows the 'Up and Coming Courses' section. It features a title 'Up and Coming Courses' and a subtitle 'List of all courses scheduled in the future.' Below this, there is a list of courses with the following details:
