

Dear Rison High School,

For many people, college is a financial hardship. That's why The Solomon Law Group, a South Carolina personal injury law firm, is providing an opportunity for incoming and current first year students for Fall 2019. We have a \$1,000 scholarship ready to help an applicant that writes the best essay for the following question:

How can we better utilize popular entertainment and media (movies, TV shows, online media, video games, etc.) to educate the general public about vital issues?

Essays for the Fall 2019 period are due **July 12th, 2019**.

Those applying will have to meet the following guidelines:

- Be in their first year or planning to attend their first year of college or graduate school. They must prove their acceptance and student standing by providing a digital copy of their acceptance letter that includes the college's letterhead.
- Students must be going to a school in the United States and have a United States mailing address by the essay's due date.
- Provide a 500+ word essay answering the question.
