

Malakoff ISD
SHAC MINUTES
January 25, 2021

Meeting:

We began the meeting by everyone signing in and receiving an agenda.

Presentation:

Shonda Lewis spoke on Heart Health Month and National Wear Red Day, Feb. 5th. Nurse Lewis brought handouts from the American Heart Association. We reviewed warning signs of heart attack and stroke. F.A.S.T. can be used to detect warning signs, F-Face Drooping, A-Arm Weakness, S-Speech difficulty, T-Time to call 911.

Stacy Penny with Nurse Family Partnership presented and we learned a lot about this program that is funded by grants and new to Henderson County. She brought handouts to share with those present and our secondary nurses carried more back to their campus. This program is set up to support new moms and this includes students that are soon to be moms. She provided enrollment forms to our Malakoff High School counselors and also our Malakoff Middle School nurse.

Emergency Bucket Update:

We received the final number needed for each campus. We will be ordering the remaining buckets.

Campus Updates:

MES- Covid testing is going well. TVCC will be sending student nurses to MES for the next couple of weeks.

MHS- Covid testing is going well. The district just offered mammograms last week and on Feb. 16th we will be having a blood drive.

MMS- Covid testing going well. A nursing student from UT Tyler will be coming soon to help out while training.

TES- All is well at Tool.

Community Representative:

Carolyn Tyler, (parent and TX A&M Agri Life)

Stacy Penny, Nurse Family Partnership

Next meeting is set for March 22nd @ 3:45.
