Textbook Adoption: Health/PE

SUBJECT: Health Textbook Adoption

The Texas Education Agency has approved and adopted QuaverEd Health and PE as the K-5 curriculum. Malakoff Elementary and Tool Elementary have the opportunity to adopt QuaverEd for the 2022-2023 school year. You can view QuaverEd materials online by going to the following link:

<https://www.quavered.com/txhealthpe/> .

Malakoff Middle School will offer a Health and Wellbeing course as a new elective for the 2022-2023 school year. This elective will be offered to students in grades 6-8. The Texas Education Agency approved the textbook, Texas Health Skills for Middle School from Goodheart-Wilcox Publisher. The textbook is on display in the Malakoff Middle School front office as well as the Malakoff Administration.

The Malakoff High School Health textbook is also up for adoption. The Texas Education Agency approved the textbook, Texas Health Skills for High School from Goodheart-Wilcox Publisher. The textbook is on display in the Malakoff High School front office as well as the Malakoff Administration.

You can also visit www.malakoffisd.org/575766_3 to view the textbook and materials online.

All adopted materials and textbooks by TEA are 100% aligned with the TEA TEKS for that aligned course.

Staff members and Community members have the opportunity to preview the textbook and provide feedback and/or concerns. All feedback will be considered in the adoption process.

Please go to the following link: <https://bit.ly/3PneCqY> to complete the Community Adoption Materials Evaluation form.

Committee members will meet on May 27, 2022 to review responses from staff and community members and to make a decision on adoption at that time.

For any questions/concerns please contact Alli Spencer at 903-489-1152 or alli.spencer@malakoffisd.org.
