SHAC MINUTES  
October 13, 2020

Membership:

Campus nurses will be making contact with parents and employees to consider being on SHAC.

2020-2021 Goals:

Mrs. Norris passed out the campus Emergency Bucket List for each nurse to fill out and return at the next meeting. The goal is to continue to provide Emergency Buckets until each classroom has one.

Another goal for the committee is to provide a safe environment for students and staff by continuing to provide prevention and cleanliness strategies for COVID-19. Always thinking and promoting "If you're sick, stay home".

Participation:

Discussion on how to increase participation by adding a time for one of the meetings that could be better for some to attend. Topics that could be informative and gain participation in attendance were mentioned and considered.

Angel Fund:

Money left in the fund was considered and voted on to be donated to a MHS club that supports our students in need.

Meeting Topics:

Nurses will each have an opportunity to present. Contact from area organizations wanting to attend our SHAC meetings and present as well.

Nutrition Nuggets:

The subscription will continue and we will be adding these to our Malakoff ISD Facebook page along with our website.
