

AMI Assignment Grid-Mrs. Leek-All Agriculture Courses

In order to give you some freedom and choice in your activities during days that we are absent, I have created an AMI assignment grid! Whenever Drew Central chooses to use an AMI day, you should choose one of the assignments below to complete. Be sure to label your completed assignment with which number you chose from the grid for that day. Do not turn this grid in. If the assignment you choose asks you to create something like a poster, adventure story, brochure, i.e. please note that notebook paper or copy paper is perfectly fine in order to complete that assignment. It is not necessary to go out and purchase poster board or other items. Any questions during days off, you can email me at brittany.leek@drewcentral.org.
