Junior High Principal Justin Peevey

11/2/2020

To Parents of Shamrock ISD,

Shamrock ISD has been notified today that we have two positive COVID-19 cases. The individuals who tested positive are currently self-isolating at home. Those that have been exposed due to close contact, parents and students have been notified and going through the protocol.

All District campuses will be sanitized, and all District employees are being instructed to continue to follow CDC guidelines and recommendations and to practice social distancing. Parents of students with close contact, as well as staff, have been contacted and will be quarantined for 14-days.

Out of an abundance of caution, we advise you to monitor your health, follow the [CDC guidelines for people who have had close contact](https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/steps-when-sick.html) and contact your primary care physician if you develop symptoms. Please see additional guidance from the CDC at <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/steps-when-sick.html>.

Shamrock ISD is continuing to monitor this situation and will provide additional information as needed.

Sincerely,

*Kenneth Shields*

Superintendent  
Shamrock ISD
