Superintendent's Message to Seniors

To the 1955 Graduating Class of the James Bowie High School, I want to express my appreciation to you for such an outstanding yearbook. You have worked hard and shown sincere devotion in making this a fine example of your last successful year. This book will serve to remind you of a happy life, although you had to work hard to achieve that goal. This is true of life--a happy, industrious individual who lives for God has a wonderful reward awaiting him.

Sincerely yours,

J. P. Vinson, Supt.

We are indeed indebted and grateful to Mr. Harvey Simms, along with Mr. Lem Simms, for making possible the reality of the existence of the James Bowie School. We also want to express our appreciation for the outstanding work of our present school board members and all the past members of the James Bowie School Board. We certainly want to recognize the past Superintendents for their outstanding devotion and leadership while at the James Bowie School. May we continue to manifest their fine spirit of co-operation and loyalty.
