THE
PIRATE
1962

Editor's Message

As the year draws to a close, we look back with pleasure upon the events that have filled our cup of memories to overflowing. We have attempted to capture the best and most outstanding memories between the covers of the 1962 Pirate.

We consider ourselves very fortunate to have an advisor as capable as Mrs. Erline Brower to help us over the rough spots; and we cannot adequately express our thanks to our photographer, Mr. Raymond Brock, whose patience and cooperation with the annual staff were truly astonishing and always appreciated.

We hope that we have succeeded in our endeavor to present a good annual to you, the students of James Bowie High. With the sincere wish that each of you will find among these pages something special - something you will remember for a long-long time - we give you the 1962 Pirate.

Dedication

We, the Pirate Staff of 1962, dedicate this year-book to the athletic department; Mr. Fox, Mr. Hall, Mrs. Grigg, Coaches; and to the boys (State Basketball Champions of 1961) and girls (State Volleyball Champions of 1961), who worked so hard for them. To these students, the staff fondly dedicates this issue of the Pirate.

Superintendent's Message

It is my hope and desire that every child be educated to the ultimate of his or her ability. For this to come about it takes a harmonious relationship between the home, school, and church. If any of these organizations lags behind or turns their responsibilities over to the others, then the child is retarded in his development and many times becomes maladjusted.

Let us strive to have the best homes, best schools, and best churches in the nation for our children. This can only be accomplished by all of us working together and doing the very best job we know how to do.
