

Targeted Improvement Plan

2019-2020

<p>Problem Statement:</p> <p>Students are not moving from “approaches” to “meets” and “masters” on state accountability.</p>	<p>Annual Goal:</p> <p>Teachers will provide lesson plans that are data driven.</p>
<p>Root Cause:</p> <p>Teachers are not connecting their plans to the data and spiraling the lessons to reteach information that was misunderstood by students.</p>	<p>Strategy:</p> <p>Collect data from DMAC and use it to drive our lesson plans.</p>
