

Instructions for Downloading these movie files:

To download these movies to your computer to play later or burn to CD, you must follow these steps:

- **Right-click** on the movie file and choose **'Save Target As'**.
- **Save** the file to a location on your computer.
- Make note of **where** you save it so you can find it later!

Note: These movies are in a .FLV – Flash Video format. **Windows Media Player will not play these movies.** You must now download a (free) FLV movie player from the internet. There are many of these available on the web – below are 2 options.

- VLC Player – <http://videolan.org/vlc/>
- FLV Player - http://www.download.com/FLV-Player/3000-2139_4-10467081.html

You can now launch the FLV player & use this program to play the movies.
