

Dear Class of 2020,

These past months have probably really shown you what you are capable of, not just as a student, but as an adult. Hopefully, you have risen to the occasion. Each day is filled with individual choices. I am confident that you all have the tools needed to be successful. The rest is up to you.

My hopes are that you take each opportunity to be your best. For the moments you are not your best, be willing to listen to others and your inner self. Surround yourself with people that want to make you, themselves and the things around them better. When talking with people, remember that everyone has a story. Try asking them about it and just listen. Take care.

~ *Mr. Ysasi*

I know the year didn't end as you had imagined or wanted it to, but don't reflect on the ending, reflect on the journey. Reflect on the determination, late nights, accomplishments, successes, and failures that you endured. Those experiences are what mold you. As this chapter in your life ends, use these things to determine your future. You are all capable of great things, and I have no doubt that you will reach your goals and dreams. Remember as you go through life, you are the only one that can keep you down. Reach for your dreams and work hard. ~ *Mr. Stegall*

"Be strong and courageous. Don't fear or tremble before them, because the Lord your God will be the one who keeps on walking with you—he won't leave you or abandon you" (Deuteronomy 31:6). You may walk in hard places throughout your life, but you never have to walk alone. Blessings and love to each of you. ~ *Mrs. Brack*

You are strong and you are overcomers--don't ever forget that. With God, you can do all things. "Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity" (1 Timothy 4:12). Congratulations! Now go let your light shine! ~ *Mrs. Crane*

(Matthew 5:16) "In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven." Congratulations, class of 2020. Go out and change the world! ~ *Mrs. Edwards*
