It is our vision to transform education....To make a fundamental change at the core of classroom learning. We envision a classroom that redefines success as it pertains to each child and we are charged with bringing this vision to life. Chapel Hill will be the future of education.... So let us begin.

## Principal's Corner

We are looking forward to another great week @ Chapel Hill! Parents, please make sure we have your updated registration information so that contact can be made! Teachers will soon ask for Beginning of the Year (BOY) conferences with you to discuss your child's progress. K-3<sup>rd</sup> grade teachers will also give the BOY scores for TPRI.

We are thankful to Brad and Erin Buchanan with REMAX Realty for providing pizza tonight for our WatchD.O.G.S. informational meeting @ 6:00 p.m. in the cafeteria. We are excited to promote this program that encourages parents and grandparents, especially DADS, to come be involved a school day while serving as both a role model and an extra set of "eyes and ears" for our campus.

Please let our office know if we can help you with CAMP out with Dads night. We have a few volunteers who would love to help out!
