It is our vision to transform education....To make a fundamental change at the core of classroom learning. We envision a classroom that redefines success as it pertains to each child and we are charged with bringing this vision to life.

Chapel Hill will be the future of education.... So let us begin.

Principal's Corner

Mrs. Lake

The cold weather is still among us. Remember, students are not allowed to return to school until they are 24-hour fever free or free of throwing up and they must bring a doctor's note with permission to return. We truly appreciate your help in this matter.

Congratulations to the following students who showed their animals at Ft. Worth.

Olivia Calhoun did an amazing job on her first major show with her lamb.

Rebecca Dunn was able to make the first cut with her lamb and goat in two classes.

In the Jr. Heifer Show, Austin Bradley placed 5th place Limousin.

Lucas Dunn placed 6th out of 78 lambs in the market lambs and goats show.

Way to go and so proud of all your hard work and representing CHS.

Have a fabulous week!
