It is our vision to transform education....To make a fundamental change at the core of classroom learning. We envision a classroom that redefines success as it pertains to each child and we are charged with bringing this vision to life.

Chapel Hill will be the future of education.... So let us begin.

Principal's Corner

We are ready for warmer weather!! During this time of year, it is critical that our students wash their hands thoroughly and sneeze and cough into their elbow to help prevent the spread of germs. It is flu season and we have had many out with it and the stomach virus. Our teachers and custodial staff are thoroughly wiping down surfaces and disinfecting as much as we possibly can here at school. Remember, students are not allowed to return to school until they are 24 hour fever free or free of throwing up and they must bring a doctors note with permission to return. Thank you for your help in keeping our school healthy!
