It is our vision to transform education....To make a fundamental change at the core of classroom learning. We envision a classroom that redefines success as it pertains to each child and we are charged with bringing this vision to life.

Chapel Hill will be the future of education.... So let us begin.

## Penny War

### Chapel Hill Elementary Pennies for Battling with Brylie

April 29, 2019-May 8, 2019

Put your spare change toward a great cause. All proceeds from our penny war fundraiser will go to "Battling for Brylie". She is the 2 year old daughter of our 1<sup>st</sup> Grade teacher, Stacie Jones. The proceeds will go to raise money for Brylie to get a stem cell treatment in Panama City, Panama. Brylie is currently battling against a brain injury that she got when she aspirated during her nap at the age of 3 months old. This treatment could be life changing for this family.

#### Pennies are "positive." Here's how it works:

- Containers are located in the cafeteria during lunch
- Each penny counts as one positive point for YOUR grade level
- Dollar bills will count as positive points for YOUR grade level \$1=100 points
- Each silver coin counts as negative points for OTHER grade levels. In other words, dropping a quarter in another grade level's bucket takes 25 points from their total
- At the end of the day on May 8, all change/points will be tallied and the grade level with the most points will win a party on the playground.

### Penny War Rules

Points:  
Adding (+)

1 penny = 1 point

Subtracting (-)

1 nickel = 5 points  
1 dime = 10 points  
1 quarter = 25 points

Dollar bills will also ADD to total
