It is our vision to transform education....To make a fundamental change at the core of classroom learning. We envision a classroom that redefines success as it pertains to each child and we are charged with bringing this vision to life.

Chapel Hill will be the future of education.... So let us begin.

Principal's Corner

Mrs. Lake

What a wonderful week at Chapel Hill Elementary! Field trips, a magician show, family fun night, and the wax museum were enjoyed by all. If you were unable to make it to the 5th grade's wax museum, you truly missed a treat! Watching these students present their projects is a memory I will hold on to for many years to come. The chili and fixing provided by our high school culinary arts team was perfect for a cold night. But, one of the biggest smiles for me was watching the many families participating in the games provided.

A BIG thank you to those who supported our Scholastic book fair... the proceeds from this event help us to purchase needed books for our library. Encourage your child to read at least 20 minutes each evening for academic growth and pleasure.
