It is our vision to transform education....To make a fundamental change at the core of classroom learning. We envision a classroom that redefines success as it pertains to each child and we are charged with bringing this vision to life. Chapel Hill will be the future of education.... So let us begin.

## Principal's Corner

Mrs. Lake

Our students at Chapel Hill Elementary are focusing on treating others with kindness. Our teachers are modeling how to treat others and are having conversations with our students about manners and respect. Mrs. Covey and Mrs. Craig have been going into the classrooms to talk with the classes about Respect and Responsibility. Ask your child about the conversations they have been having with them.

In 1st grade, we have mentors that are reading with some of our kiddos for Titus County Reads. We have lots of 1st graders and we are always looking for more mentors to read with them. You can pick a Tuesday or a Thursday to read with your buddy from 8:15-8:45. If you are interested in being a mentor reader, please contact Denise Bynum at 903-572-8096.

2nd grade is studying about bridges, how they work, and the are designing their own bridges.

3rd graders have Kindergarten reading buddies. On Fridays, they go to the Kindergarten rooms to read with their little buddy.

4th and 5th grade are working on some really cool science experiments in Science Class.

Art has done some really neat things with Picasso Art and so much more!!
