It is our vision to transform education... To make a fundamental change at the core of classroom learning. We envision a classroom that redefines success as it pertains to each child and we are charged with bringing this vision to life. Chapel Hill will be the future of education.... So let us begin.

Principal's Corner

What a busy week we had last week, and another one this week! Thanks to all who helped make our PattiCakes fund raiser a huge success! We also enjoyed celebrating Principal Pride with you last Friday. The PTO's Harvest Festival was another BIG winner! We appreciate each and every one of our PTO members, teachers and parents alike. If you are not plugged in yet, please consider joining this group!!! We desperately need more volunteers....just call the front office, and we will "hook" you up!

Don't forget that tomorrow students may wear costumes, but please make sure they are school appropriate. Please do not send your child in a scary or violent costume that would frighten our younger children! Jim Lord will be our guest speaker tomorrow; he narrates our *Be a Hero* series which is sponsored by Jason Reid of State Farm Insurance. Next week we will celebrate our Veterans at an assembly on Nov. 7, and see a Magic Show on Friday. Look for a permission slip for students in K-3rd grade to see the live theatrical production of *The Little Mermaid* on Nov. 29. \$3 is needed along with the signed permission slip for your child to attend.
