It is our vision to transform education... To make a fundamental change at the core of classroom learning. We envision a classroom that redefines success as it pertains to each child and we are charged with bringing this vision to life. Chapel Hill will be the future of education.... So let us begin.

Principal's Corner

We are so proud of all the students who participated in the Titus County Fair's Stock Show. We had a great representation of Chapel Hill, and we showed out!! Way to go you guys.

We have kicked off our Titus County Reads program with our 1st grade students. If you are interested in reading to a 1st grader, please contact Magen Harvey in the library, and she will sign you up. These students read with their reading mentor on Tuesday and Thursday mornings from 8-8:25.

Camp Out with Dads is always a huge success. Thank you to everyone who had a hand in helping out. Our PTO is the best around. Special thanks to Mrs. Garrett, Mrs. Melissa Edwards, and the Rodgers' family for the hot dogs and fun!!
