It is our vision to transform education... To make a fundamental change at the core of classroom learning. We envision a classroom that redefines success as it pertains to each child and we are charged with bringing this vision to life. Chapel Hill will be the future of education.... So let us begin.

What a fabulous week we had this week! Thank you for participating in the yo-yo sales for the NED Show! This presentation is provided for free, but we are asked to "pay it forward". The cost of the show is \$1,600. Our campus raised over \$2,000! 10% of the proceeds is returned to us in the form of a gift certificate to purchase NED related school supplies. The kids enjoyed this educational show, and they have learned many new yo-yo tricks!

Attention parents of students in K-2nd grades: Friday, September 20, 2019 is a pj party day for good behavior! Please allow your child to dress in pajamas (you can bet our staff will be) and bring a pillow/blanket to watch a movie in the gym. The student council will make Snacks available to purchase as a fund raiser for the Christmas Tree Angel program. As always, thanks for your support of all things Chapel Hill!!!!
