It is our vision to transform education... To make a fundamental change at the core of classroom learning. We envision a classroom that redefines success as it pertains to each child and we are charged with bringing this vision to life.

Chapel Hill will be the future of education.... So let us begin.

Principal's Corner

Mrs. Lake

We are looking forward to another great week @ Chapel Hill! We had a wonderful turn-out for our Grandparent's Day(s) Thursday and Friday. We appreciate our cafeteria staff, headed by Sherry Eargle, for their tremendous effort in providing a delicious breakfast. Also, our Music and Art departments (Mrs. B and Mrs. Taylor) provided entertainment and gifts; thank you ladies for your hard work as well!

Please make sure that you have updated your registration information and turned in all packets as teachers will soon ask for BOY (Beginning of the Year) conferences to discuss with you the progress of your child. K-3rd will also discuss the BOY scores from the TPRI exams being administered this week and next.

Our students enjoyed the NED show yesterday. Thank you to all who have purchased the yo-yos so that others schools can enjoy this program free of charge as we did. Please see the website

<https://www.thenedshows.com/> for more information.

Ask your child what did he/she learn by attending the NED assembly. For example, what do the letters "N" "E" and "D" stand for (Never give up, Encourage others, and Do your best)? Yo-yos will continue to be sold this week.

As always, thank you for trusting us with your most precious possession – your child!
