

Car Visor Order Form

If you have a visor from last year, please continue to use it and add any additional PreK-2nd grade names to it. If you need a new one, please fill out this order form and attach your payment. Every car must have a visor in order to make the car-rider line more efficient. If you need financial assistance, please visit with me. Make checks payable to Bethel Public Schools and turn in this form to your child's teacher ASAP.
