Regular attendance is expected in order to receive a proper education. Students are expected to attend school. Parents should make every effort to encourage students to attend. Students will be limited to a maximum of seven (7) absences in any one calendar semester. Any student accumulating over seven (7) absences in any one calendar semester will receive a zero (0) for any and all assignments, including tests, in any class in which they have accumulated over seven (7) absences.

Pre-arranged absences will be limited to a maximum of five (5) in any one calendar semester and a maximum of seven (7) in an entire school year. Pre-arranged absences would include those situations in which a parent/guardian deems it necessary that a child miss school for reasons such as observance of religious holidays, family trips, etc. These absences must be pre-arranged by obtaining the respective principal's approval at least three (3) days prior to the absence. Prior to pre-arranged absences, students must confirm with their principal the absence itself, make-up work, and due dates for that work.
