ENRICHMENT ACTIVITY #3, Week 3

Turn in by taking a pic & sending through remind or email or use google docs and email me @ @fullerj@bethel.k12.ok.us

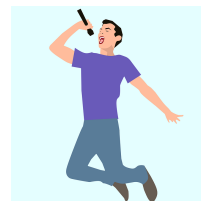

Assignment #5 is super fun! You get to design Show Choir outfits. You are the designer. You have these guidelines:

1. School appropriate
2. Need to be eye catching, but not take away too much from the singer
3. Need to be able to dance in them
4. Not too hot (some stages have hot stage lights, think about materials)
5. Need to look good on all sizes and shapes
6. Need a boy's and a girl's outfit

You can look online and pull together ideas from all different sources. You can make a collage of your top 3 choices. Bottom line is, I want to know:

- a. Why you picked the choice
- b. How it lines up with each guideline I gave you

HAVE FUN and send me your pics!!!!!!!!!!!!!! Let me know if you have questions! Do you have what it takes to be a top designer? Let's start and have some fun:-)
