

Algebra II Syllabus

Mrs. Judy Sullinger

Classroom: Annex Room 204

Planning Period: 7th hour, 2:40-3:30

Email: sullinger@bethel.k12.ok.us

Course Description

Algebra II is a math course required for college bound students. The course will extend the study of polynomial functions and introduce exponential, radical, rational and logarithmic functions. The material covered is important for the ACT and future math courses.

Arrival

A clear water bottle may be brought to class, only water will be allowed. Students are expected to stay engaged for the entire class period, therefore, come prepared to class.

Prerequisites

- Algebra I
- Geometry

Expectations

Above all, students should possess a positive attitude that values learning skills and concepts, not simply getting a grade. This course can be a challenge, but the reward is worth the struggle. This is an opportunity for students to better prepare for success in college courses. Students will be expected to be actively engaged and to complete work in a timely manner in order to be successful.

Technology

Chromebooks will be used at specified times to enhance learning.. Scientific calculators will be used frequently, be sure you bring one to class daily. Graphing calculators will be introduced during the year, the school has graphing calculators available.

Cheating

Cheating will not be tolerated and will result in zero points for the assignment. I encourage you to ask for help from classmates, but your work should be your own and not match another student's work.

Materials

- **Folder/Binder:** Students will be responsible for taking and keeping notes and homework in an organized fashion.
- **PENCIL AND ERASER**
- **Fine Tip Dry Erase Marker (2-4 markers)**
- **1 Box of Kleenex**
- **Scientific Calculator**

Grades

- Daily/Homework: 30 points
- Quizzes: 50 points
- Tests: 200-400 points

Retesting is encouraged when a test grade is below 65%. The two test grades will be averaged together for the new test grade.

Students will need to **SHOW WORK** on **ALL** assignments and tests in order to receive full credit.

- Late work will be penalized **5 points per day and will not be taken after 3 days.**

Rules

- Arrive on time and prepared.
- Be positive, respectful, and quiet.
- You are responsible for your actions. Make wise decisions.
- No cell phones or earbuds are allowed during class.
- Sign in and out if you leave the classroom, your phone needs to be left on my desk.

Discipline

- 1st step: Verbal Warning
- 2nd step: Student Conference/Lunch Detention
- 3rd step: Parent Contact/Coach Contact
- 4th step: Office Visit

Students Google Classroom.
