8.1 COMPENSATION GUIDES AND SALARY SCHEDULES

Salary schedules for each type of employment will be maintained in the office of the superintendent. Salaries will be commensurate to duties performed and the prevailing wage of the area, and must meet the federal minimum wage standards.

Contracts are for one year, renewable during the spring of each year. All offers to renew annual contracts shall expire if not accepted in writing (properly signed) and returned to the superintendent's office within thirty (30) days of issuance. If the contract is not received within the time period, the position for which the contract was issued will be considered to be vacant and the board will proceed to fill the vacancy.

For the purposes of this policy, an employee must work two thirds (2/3) of the number of their regularly assigned annual workdays to qualify for a step increase.

The superintendent shall consider, so far as is possible, the wishes of employees in placement, and assignment in making building assignments of non-instructional personnel. Employees may be assigned, re-assigned, or transferred by decision of the superintendent. The superintendent/principal/supervisor has the authority, when recommending an applicant and his/her placement on the District's salary schedule to the Board for its approval, to consider the applicant's previous work experience with similar duties, responsibilities, and skill sets to those job duties and responsibilities the applicant would assume for the District.

Sponsorship pay, which is an addition to the employee's contract, shall be paid as follows:

Sr. Cheerleader Sponsor	\$1100	Jr. Cheerleader Sponsor	\$1100
Sr. Pep/Drill Team Sponsor	600	Jr. Pep/Drill Team Sponsor	600
Technology Coordinator	500	ESL Interpreter	500
Student Data (APSCN) Coordinator	1500

8.1L—SERVICE RECOGNITION AWARDS POLICY

The school district recognizes long and faithful service and the value of the skill, knowledge, and judgment gained through years of experience.

PURPOSE

The school district is appreciative of the loyalty and faithful service of its employees. Therefore, it is the policy of this school district to recognize length of service by awarding service awards to those employees who have demonstrated their loyalty to the school district. Service awards will be presented to those employees who meet the conditions of eligibility.

RECOGNITION POINTS

Service certificates and awards will be presented to those employees who complete the prescribed number of years of service:

5 years	20 years
10 years	25 years
15 years	30 years

In order for employees to be entitled to the awards, they must have completed the prescribed number of years of service on or before July 1st of that year preceding the presentation of the awards.

SERVICE CLASSIFICATION

1. **PART-TIME TO FULL-TIME:** If an employee is originally employed on a part-time basis and then transfers to full-time, his/her date of employment will be the date he/she is transferred to full-time status.
2. **FULL-TIME TO PART-TIME TO FULL-TIME STATUS:** In this case, the employee will receive credit for the number of years or months he/she first worked on a full-time basis. He/she will be eligible for employee benefits when he/she returns to full-time status based on the number of years or months of previous full-time status.

8.2— NONCERTIFIED PERSONNEL EVALUATIONS

Noncertified personnel may be periodically evaluated.

Any forms, procedures or other methods of evaluation, including criteria, are to be developed by the Superintendent and or his designee(s), but shall not be part of the personnel policies of the District. The evaluation tool shall be shared with the employee at the beginning of the school year. Employees will be evaluated by their direct supervisor/principal. Every evaluation will be followed up with a post-conference with the employee to go over the evaluation.

8.4— NONCERTIFIED EMPLOYEES DRUG TESTING

Scope of Policy

Each person hired for a position which allows or requires that the employee operate any type of motor vehicle which is privately owned and operated for compensation, or which is owned, leased or otherwise operated by, or for the benefit of the District, and/or is operated for the transportation of children to or from school or school sponsored activity shall undergo a physical examination, including a drug test. Each person's initial employment for a job entailing a safety sensitive function is conditioned upon the district receiving a negative drug test result for that employee.² The offer of employment is also conditioned upon the employee's signing an authorization for the request for information by the district from the Commercial Driver Alcohol and Drug Testing Database.³ Any employee may be pulled in the random drug screening.

Methods of Testing

The district, TranScreen and the approved testing lab shall rely, when practical, on the guidance of the federal Department of Transportation, Procedures for transportation Workplace Drug Testing Programs, 49 C.F.R., Parts 40.1 through 40.39, and on the further guidance of the Omnibus Transportation Employee Testing Act provided in 40 C.F.R., Parts 382, 391, 392, and 395.

- 1. FOR ALL DRUG TESTS**, the employee will be required to provide a specimen of his/her urine. At a minimum, urine specimens will be analyzed for the presence of the following drugs: amphetamines, marijuana, cocaine, opiates and phencyclidine. Specimens will also be analyzed for such other substances as DOT may from time to time direct, or as may otherwise be permitted by federal or state law. In the event that DOT expands the list of drugs for which testing is or may be required, the district reserves the right to begin testing immediately for those drugs without prior notice to the employee or applicants, unless notice is required by DOT or another applicable law.
- 2.** In general, employees will be permitted to give a urine specimen in private and without being observed by collection site personnel. However, an employee forfeits this right whenever there is reason to believe that s/he may alter or substitute specimen.
- 3.** All drug tests will be administered using the split sample methodology required by DOT. Under this methodology, the driver must provide at least 45 milliliters (ml) in a specimen container. The collector will then divide the specimen into two specimen bottles. Thirty (30) ml will be poured into one bottle and fifteen (15) ml into a second bottle. Both bottles will be sent to the laboratory. The bottle containing 30 ml will be analyzed as the driver's primary specimen. The second bottle will be held by the laboratory, to be sent to another lab at the employee's request in the event that the primary specimen is verified as positive. In the event the primary specimen is verified as positive, the driver will be notified either by the district's MRO or by the district of the positive test and given the option to have the second bottle sent to a different laboratory for analysis. To exercise this option, the employee must advise the district MRO within 72 hours of being told that the primary specimen was positive.
- 4.** Except for the use of methadone and medications containing alcohol, nothing in this policy prohibits a employee's use of a medication legally prescribed by a licensed physician who is familiar with the employee's

(Page 1 of 5)

medical history and specific driving duties and who has advised the employee that the prescribed medication will not adversely affect the employee's ability to operate a motor vehicle safely. Medications prescribed for

someone other than the employee, however, will not be considered lawfully used when taken by the employee under any circumstances.

5. Before being tested for drugs, employees will be given an opportunity to list, on their copy of the chain of custody form, any prescription and nonprescription medications being lawfully used by the driver at the time. A "positive" drug test may be declared "negative" by the district MRO, if the employee can prove with clear and convincing evidence that the drug which was used was prescribed by a licensed physician who is familiar with the employee's medical history and specific duties. The determination of this will be made by the district's MRO.

6. **FOR ALL ALCOHOL TESTS**, the employee will be required to provide a breath specimen for any test conducted by, or on behalf of, the district. In case of an alcohol test by a federal, state or local law enforcement officer following an accident, the employee must provide either a breath or blood specimen as directed by the law enforcement officer.

7. Alcohol test will be administered using a breath specimen, taken by a breath alcohol technical (BAT) using an approved breath testing device (EBT), except in cases of on-scene post-accident testing conducted by federal, state or local officials.

8. Before being tested by the district, each employee will be required to present his/her personal identification, and execute a DOT "Breath Alcohol Test Form" provided by the BAT. An employee who refuses to provide his/her identification, provides a false identification, refuses or fails to cooperate will be treated as though s/he had tested positive and will be subject to disciplinary action, up to an including discharge, in addition to the penalties imposed by DOT.

9. Prior to each alcohol breath test conducted by the district, the BAT will instruct the employee on how the test will be performed.

10. To protect each employee, the BAT will open and attach to the testing device an individually sealed mouthpiece in the driver's view. The employee will then be directed to blow forcefully into the breath-testing device until an adequate amount of breath has been maintained.

11. In the event that an employee is unable to provide an adequate amount of breath for the initial or confirmatory test after several attempts to do so, the employee will be required to submit to an evaluation by a licensed medical physician to determine whether a valid medical condition exists. If the physician determines that a valid medical condition does exist, the test result will be reported to the district as "negative." If the physician determines that a valid medical condition does not exist, the test result will be reported to the district as a "confirmed positive."

EMPLOYEE ASSISTANCE PROGRAM (EAP)

The district shall provide the following assistance:

1. Education and training for employees regarding drugs and alcohol including information pertaining to the effects of alcohol and controlled substance use on an individual's health, work, and personal life; signs and symptoms of an alcohol or a controlled substances problem (the driver's or a co-worker's); and available methods

(Page 2 of 5)

of intervening when an alcohol or a controlled substances problem is suspected, including confrontation, referral to any employee assistance program and/or referral to management.

2. Education and training for supervisors regarding drugs and alcohol, including effects and consequences of substance use on personal health, safety, and work and manifestations and behavioral causes that may indicate substance use.
3. Documentation of training provided.
4. A written statement on file and available at the district office outlining the EAP.

The drug program coordinator should be contacted for further guidance.

School related activities are being conducted without prior notice in order to ensure a work environment free of prohibited substances.

Definition

Safety sensitive function includes:

1. All time spent inspecting, servicing, and/or preparing the vehicle;
2. All time spent driving the vehicle;
3. All time spent loading or unloading the vehicle or supervising the loading or unloading of the vehicle; and
4. All time spent repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle.

Requirements

Employees shall be drug and alcohol free from the time the employee is required to be ready to work until the employee is relieved from the responsibility for performing work and/or any time they are performing a safety-sensitive function. In addition to the testing required as an initial condition of employment, employees shall submit to subsequent drug tests as required by law and/or regulation. Subsequent testing includes, and/or is triggered by, but is not limited to:

- Random tests;
- Testing in conjunction with an accident;
- Receiving a citation for a moving traffic violation; and
- Reasonable suspicion.

Prohibitions

1. No employee shall report for duty or remain on duty requiring the performance of safety-sensitive functions while having an alcohol concentration of 0.04 or greater;
2. No employee shall use alcohol while performing safety-sensitive functions;
3. No employee shall perform safety-sensitive functions within four (4) hours after using alcohol;
4. No employee required to take a post-accident alcohol test under #2 above shall use alcohol for eight (8) hours following the accident or until he/she undergoes a post-accident alcohol test, whichever occurs first;
5. No employee shall refuse to submit to an alcohol or drug test in conjunction with # 1,2, and/or 4 above;
6. No employee shall report for duty or remain on duty requiring the performance of safety-sensitive functions when using any controlled substance, except when used pursuant to the instructions of a

(Page 3 of 5)

licensed medical practitioner, knowledgeable of the driver's job responsibilities, who has advised the driver that the substance will not adversely affect the driver's ability to safely operate his/her vehicle. It is the employee's responsibility to inform his/her supervisor of the employee's use of such medication;

7. No employee shall report for duty, remain on duty, or perform a safety-sensitive function if the driver tests positive or has adulterated or substituted a test specimen for controlled substances.

Violation of any of these prohibitions may lead to disciplinary action being taken against the employee, which could include termination or non-renewal.

Testing for Cause

Employees involved in an accident in which there is a loss of another person's life shall be tested for alcohol and controlled substances as soon as practicable following the accident. Employees shall also be tested for alcohol within eight (8) hours and for controlled substances within thirty two (32) hours following an accident for which they receive a citation for a moving traffic violation if the accident involved: 1) bodily injury to any person who, as a result of the injury, immediately receives medical treatment away from the scene of the accident, or 2) one or more motor vehicles incurs disabling damage as a result of the accident requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.

Refusal to Submit

- Refusal to submit to an alcohol or controlled substance test means that the employee failed to appear for any test within a reasonable period of time as determined by the employer consistent with applicable Department of Transportation agency regulation;
- Failed to remain at the testing site until the testing process was completed;
- Failed to provide a urine specimen for any required drug test;
- Failed to provide a sufficient amount of urine without an adequate medical reason for the failure;
- Failed to undergo a medical examination as directed by the Medical Review Officer as part of the verification process for the previous listed reason;
- Failed or declined to submit to a second test that the employer or collector has directed the driver to take;
- Failed to cooperate with any of the testing process; and/or
- Adulterated or substituted a test result as reported by the Medical Review Officer.

Consequences for Violations

Employees who engage in any conduct prohibited by this policy, who refuse to take a required drug or alcohol test, refuse to sign the request for information required by law, or who exceed the acceptable limits for the respective tests shall no longer be allowed to perform safety-sensitive functions. Actions regarding their continued employment shall be taken in relation to their inability to perform these functions and could include termination or non-renewal of their contract of employment.

Employees who exhibit signs of violating the prohibitions of this policy relating to alcohol or controlled substances shall not be allowed to perform or continue to perform safety-sensitive functions if they exhibit those signs during, just preceding, or just after the period of the work day that the driver is required to be in compliance with the provisions of this policy. This action shall be based on specific, contemporaneous, articulate observations concerning the behavior, speech, or body odors of the driver. The Superintendent or his/her designee shall require the employee to submit to “reasonable suspicion” tests for alcohol and controlled substances. The direction to submit to such tests must be made just before, just after, or during the time the employee is performing safety-sensitive functions. If circumstances prohibit the testing of the employee the Superintendent or his/her designee shall remove the employee from reporting for, or remaining on, duty for a minimum of 24 hours from the time the observation was made triggering the driver’s removal from duty.

If the results for an alcohol test administered to a employee is equal to or greater than 0.02, but less than 0.04, the driver shall be prohibited from performing safety-sensitive functions for a period not less than 24 hours from the time the test was administered. Unless the loss of duty time triggers other employment consequence policies, no further other action against the driver is authorized by this policy for test results showing an alcohol concentration of less than 0.04.

8.5— NONCERTIFIED EMPLOYEES SICK LEAVE

Definitions: For the purposes of this policy the following definitions shall apply:

1. "Employee" is an employee of the District working 20 or more hours per week who is not required to have a teaching license as a condition of his employment.
2. "Sick Leave" is absence from work due to illness, whether by the employee or a member of the employee's immediate family, or due to a death in the family. The principal shall determine whether sick leave will be approved on the basis of a death outside the immediate family of the employee.
3. "Current Sick Leave" means those days of sick leave for the current contract year.
4. "Accumulated Sick Leave" is the total of unused sick leave, up to a maximum of ninety (90) days accrued from previous contract, but not used.
5. "Immediate family" means an employee's spouse, child, parent, or any other relative provided the other relative lives in the same household as the employee.

The Lincoln Consolidated School District shall provide sick leave for each of its employees at a minimum accumulation rate of one (1) day per month or major portion thereof that the employee is employed at full pay. After the effective date of this policy, each accumulation shall begin with the first month or major portion thereof beginning with the first day of the first school term for which each such individual is employed. Provided, if an employee resigns or leaves his/her employment position for any reason before the end of the school term, the employing district may deduct from his/her last pay check full compensation for any days unearned. An employee shall be entitled to such leave only for reasons of personal illness or illness of his/her immediate family.

A record of sick leave used and accumulated shall be established and maintained by the school district for each of its employees. Sick leave that is unused by an employee during any school year shall be accumulated in such employee's sick leave account at a rate of one (1) day per month or major portion thereof employed until ninety (90) days have been accumulated. An employee who qualifies for sick leave under paragraph two may use any amount up to his/her total number of accumulated days. Accumulated days of sick leave that are used up may be restored up to ninety (90) days in the same manner that they were first accumulated.

At the end of a school year, full time, noncertified employees, and contracted bus drivers, will be paid for unused sick leave in excess of 90 days. The amount paid for each day of unused sick leave will be thirty five per cent (35%) of regular daily pay for that employee.

If a principal or personnel manager has reason to believe that an employee has violated or misused this sick leave policy, he/she may require a certificate signed by a duly licensed physician for subsequent absences.

The principal has the discretion to approve sick leave for an employee to attend the funeral of a person who is not related to the employee, under circumstances deemed appropriate by the principal. Such approved sick leave shall not exceed one day.

Employees who are adopting or seeking to adopt a minor child or minor children may use up to 15 sick leave days in any school year for absences relating to the adoption, including time needed for travel, time needed for home visits, time needed for document translation, submission or preparation, time spent with legal or adoption agency representatives, time spent in court and bonding time. See also 8.23 NONCERTIFIED PERSONNEL FAMILY MEDICAL LEAVE, which also applies. Except for bonding time, documentation shall be provided by the employee upon request.

Pay for sick leave shall be at the employee's daily rate of pay, which is that employee's total contracted salary, divided by the number of days employed as reflected in the contract. Absences for illness in excess of the employee's accumulated and current sick leave shall result in a deduction from the employee's pay at the daily rate as defined above.

At the discretion of the principal (or Superintendent), the District may require a written statement of the employee's physician. Failure to provide such documentation of illness may result in sick leave not being paid, or in dismissal.

Excessive absenteeism, whatever the cause, to the extent that the employee is not carrying out his assigned duties to an extent that the education of students is substantially adversely affected (at the determination of the principal or Superintendent) may result in reassignment or dismissal

Sick Leave and Family Medical Leave Act (FMLA) Leave

When an employee takes sick leave, the district shall determine if the leave qualifies for FMLA leave. The district may request additional information from the employee to help make the applicability² determination. If the leave qualifies under the FMLA, the district will notify the employee, either orally or in writing³, of the decision within two workdays. If the leave is intermittent as defined in this policy and the circumstances of the leave don't change, the district is only required to notify the employee once of the determination regarding the applicability of sick leave and/or FMLA leaves. To the extent the employee has accrued paid leave, any leave taken that qualifies for FMLA leave shall be paid leave and charged against the employee's accrued leave.

When a noncertified employee retires from Lincoln Consolidated School District, he/she may be paid for unused sick leave if they:

1. Meet the qualifications for Arkansas Teacher Retirement.
2. Have worked at least 5 complete years for Lincoln Schools.

Payment for unused sick leave will be as follows:

1. 5 to 10 years in the district will receive 50% of a noncertified substitute teacher pay for each unused accumulated day of sick leave.
2. 11 to 15 years in the district will receive 65% of a noncertified substitute teacher pay for each accumulated day.
3. 16 to 20 years in the district will receive 80% of a noncertified substitute teacher pay for each accumulated day.
4. 21 or more years in the district will receive 100% of noncertified substitute teacher pay for each accumulated day.

(Page 2 of 3)

Payment for unused sick days, upon retirement, will be administered the month following the official retirement date and proof of retirement by the Arkansas Teacher Retirement System. Proof of retirement must be received

within 6 months of retirement date. In some cases an employee may retire from Arkansas Teacher Retirement but continue to work. These employees will only be eligible for payment of unused sick days one time and may not be paid for any additional accumulated sick days. This is a one-time benefit.

Employees who continue to work for the district following retirement will be paid for unused sick leave when they no longer work for the district.

8.6—SICK LEAVE BANK — NON-CERTIFIED EMPLOYEES

A sick leave bank is established for the purpose of permitting non-certified employees, upon approval, to obtain sick leave in excess of accumulated and current sick leave.

The Non-certified Sick Leave Bank Committee will be the Non-Certified Personnel Policy Committee.

Withdrawals

The Committee may, but is not obligated to, grant sick leave up to twenty, (20) days per contract year for serious personal or family illness, disabilities or accidents (not including accidents for which the employee is receiving Workers' Compensation), which cause the employee to be absent from work and when the employee has exhausted all accumulated and current sick leave.

Absence from work due to medically unnecessary elective surgery may not make the employee eligible to withdraw from the sick leave bank.

Requests for withdrawal from the sick leave bank must state the reason(s) for the request and the number of days requested and must be accompanied by a detailed statement from an attending physician of the nature of the malady and the expected duration thereof.

If the information provided to the Committee is deemed by a majority of the Committee to be insufficient, the Committee may require additional information or deny the employee's request, at its discretion.

The Committee shall have the authority to grant, reduce or deny any request. However, the Committee may grant no request, or any granted time may be withdrawn, when the employee accepts retirement; is eligible for Social Security Disability; or other disability insurance or the employee returns to work.

The procedures for implementing and operation of the sick leave bank are:

1. The Noncertified Personnel Policy Committee will be responsible for the sick leave bank and for granting of days. The Committee shall meet as necessary for the purpose of reviewing requests for withdrawal from the bank. The determination of the committee shall be final.
2. Ten (10) days after the beginning of each school year, noncertified personnel may voluntarily contribute one to five days of their sick leave allowance to a sick leave bank. New employees coming in after the school year has begun shall have the opportunity to contribute to the bank.
3. Noncertified personnel wishing to make contributions to the bank shall do so on a sick leave bank form submitted to the noncertified Personnel Policy Committee. A member need contribute only one time unless he/she has drawn from the bank or if the bank drops below 75 days in reserve.

The Noncertified Personnel Policy Committee shall administer the bank according to the following rules:

1. Only employees who have made contributions to the bank may make withdrawals from the bank. Days contributed will not be returned to the employee.
2. The sick leave bank days may be used only upon exhaustion of a bank member's accumulated sick leave and personal leave.

3. Sick leave bank days will be granted only in cases of catastrophic/chronic illness of a sick leave bank member, or immediate family member as defined by sick leave policy (8.5). Chronic illnesses are defined as those illnesses that are prolonged, do not resolve spontaneously, and are rarely cured completely.
4. Request for sick leave bank days will be made on a sick leave bank request form, and submitted to a member of the Noncertified Personnel Policy Committee. The committee requires that the request form be accompanied by documentation from a doctor.

8.7— NONCERTIFIED EMPLOYEES PERSONAL, PROFESSIONAL AND EMERGENCY LEAVE

Personal Leave

For the district to function efficiently and have the necessary personnel present to effect a high achieving learning environment, employee absences need to be kept to a minimum. The district acknowledges that there are times during the school year when employees have personal business that needs to be addressed during the school day. Each full-time employee shall receive two (2) days of personal leave per contract year. The leave may be taken in increments of no less than one half, (1/2) day.

Employees shall take personal leave or leave without pay for those absences which are not due to attendance at school functions which are related to their job duties and do not qualify for other types of leave (for sick leave see Policy 8.5, for professional leave see below).

1. School functions, for the purposes of this policy, means: athletic or academic events related to a public school district; and
2. Meetings and conferences related to education.

Any employee desiring to take personal leave may do so by making a written request to his supervisor at least one (1) week prior to the time of the requested leave. The supervisor may waive the one (1) week requirement when the supervisor deems it appropriate. No personal leave may be taken the last five (5) days of the school year unless an extenuating circumstance occurs and leave is approved by the principal/supervisor.

Employees who fail to report to work when their request for a personal day has been denied or who have exhausted their allotted personal days, shall lose their daily rate of pay for the day(s) missed (leave without pay). While there are instances where personal circumstances necessitate an employee's absence beyond the allotted days of sick and/or personal leave, any employee who requires leave without pay must receive advance permission (except in medical emergencies and/or as permitted by policy 8.23 – Classified Personnel Family Medical Leave) from their immediate supervisor. Failure to report to work without having received permission to be absent is grounds for discipline, up to and including termination.

Personal leave does not accumulate from one contract year to the next. Unused Personal leave will be converted into sick leave at the end of each school year.

Professional Leave

“Professional Leave” is leave granted for the purpose of enabling an employee to participate in professional activities (e.g., workshops or serving on professional committees) that can serve to improve the school district's instructional program or enhances the employee's ability to perform his duties. Professional leave will also be granted when a school district employee is subpoenaed for a matter arising out of the employee's employment with the school district. Any employee seeking professional leave must make a written request to his immediate supervisor, setting forth the information necessary for the supervisor to make an informed decision. The supervisor's decision is subject to review and overruling by the superintendent. Budgeting concerns and the potential benefit for the district's students will be taken into consideration in reviewing a request for professional leave.

Applications for professional leave should be made as soon as possible following the employee's discerning a need for such leave, but, in any case, no less than two (2) weeks before the requested leave is to begin, if possible.

If the employee does not receive or does not accept remuneration for their participation in the professional leave activity and a substitute is needed for the employee, the district shall pay the full cost of the substitute. If the employee receives and accepts remuneration for their participation in the professional leave activity, the employee shall forfeit his/her daily rate of pay from the district for the time the employee misses. The district, if one is needed, shall pay the cost of a substitute.

Emergency Leave

Employees will be granted one day of Emergency leave for an unexpected emergency that prevents attendance at school. Emergency leave will be granted under the following conditions:

1. The emergency must be an unforeseen event, such as mechanical failure to a vehicle, an accident, flooding, fire, acts of nature or, in some instances, medical emergencies. Employees who are subpoenaed to court that is not school –related.
2. Emergency leave days are not cumulative.
3. Emergency leave, when granted, will not count against any other leave.
4. Employees will be paid regular pay for the day/s missed due to emergencies.
5. Employees must notify building principal or direct supervisor as soon as possible concerning the emergency.
1. Administration will make final determination concerning the validity of the emergency and granting of emergency leave. Personal leave, and/or sick leave, when applicable, will be considered first before granting emergency leave.
7. Employees may be granted up to three emergency days per year, one day per request.

8.8—NONCERTIFIED PERSONNEL RESPONSIBILITIES IN DEALING WITH SEX OFFENDERS ON CAMPUS

Individuals who have been convicted of certain sex crimes must register with law enforcement as sex offenders. Arkansas law places restrictions on sex offenders with a Level 1 sex offender having the least restrictions (lowest likelihood of committing another sex crime), and Level 4 sex offenders having the most restrictions (highest likelihood of committing another sex crime).

While Levels 1 and 2 place no restrictions prohibiting the individual's presence on a school campus, Levels 3 and 4 have specific prohibitions. These are specified in Policy 6.10—SEX OFFENDERS ON CAMPUS (MEGAN'S LAW) and it is the responsibility of district staff to know and understand the policy and, to the extent requested aid school administrators in enforcing the restrictions placed on campus access to Level 3 and Level 4 sex offenders.

It is the intention of the board of directors that district staff not stigmatize students whose parents or guardians are sex offenders while taking necessary steps to safeguard the school community and comply with state law. Each school's administration should establish procedures so attention is not drawn to the accommodations necessary for registered sex offender parents or guardians.

8.11—OVERTIME, COMPTIME, and COMPLYING WITH FLMA

The Lincoln Consolidated School District shall comply with those portions of the Fair Labor Standards Act that relate to the operation of public schools. The act requires that covered employees be compensated for all hours worked at greater than or equal to the applicable minimum wage for workweeks of less than or equal to 40 hours. It also requires that employees be compensated for workweeks of greater than 40 hours at 1 1/2 times their regular rate of pay either monetarily^B or through compensatory time^C.

Definitions

Overtime is hours worked in excess of 40 per workweek. Compensation given for hours **not** worked such as for holidays or sick days do **not** count in determining hours worked per workweek.

Workweek is the seven-day consecutive period of time from 12:00AM on Sunday to midnight on the following Saturday.¹

Each workweek is independent of every other workweek for the purpose of determining the number of hours worked and the remuneration entitled to by the employee for that week.

Exempt Employees are those employees who are not covered under the FLSA. They include administrators and professional employees such as teachers, counselors, nurses, and supervisors. Any employee who is unsure of their coverage status should consult with the District's Administration.

Covered Employees (also defined as non-exempt employees) are those employees who are not exempt, generally termed non-certified, and include bus drivers, clerical workers, maintenance personnel, custodians, transportation workers, receptionists, paraprofessionals, food service workers, secretaries, and bookkeepers.

Regular Rate of Pay includes all forms of remuneration for employment³ and shall be expressed as an hourly rate. For those employees previously paid on a salary basis, the salary shall be converted to an hourly equivalent. Employees shall be paid for each and every hour worked.

Employment Relationships

The District does not have an employment relationship in the following instances.

1. Between the District and student employees.
2. Between the District and its students;
3. Between the District and individuals who as a public service volunteer or donate their time to the District without expectation or promise of compensation.

The District does not have a joint employment relationship in the following instances.

1. Between the District and off-duty policemen or deputies who are hired on a part-time basis for security purposes or crowd control.
2. The District is separate from and acts independently of other governmental entities.
3. Between the District and any agency contracted with to provide transportation services, security services, or other services.

(Page 1 of 4)

Hours Worked

Employees shall be compensated for all the time they are required to be on duty and shall be paid for all hours worked each workweek. Employees shall accurately record the hours they work each week.

The District shall determine the manner to be used by employees to accurately record the hours they work. Each employee shall record the exact time they commence and cease work including meal breaks. Employees arriving early may socialize with fellow workers who are off the clock, but shall not commence working without first recording their starting time.

Employees shall sign in/clock in where they start work and sign out/clock out at the site where they cease working. Employees who do not start and end their workday at the same site shall carry a time card or sheet with them to accurately record their times. They shall turn in their time sheets or cards to their immediate supervisor no later than the following Monday morning after reviewing them to be sure that they accurately reflect their hours worked for that week.⁴

Each employee is to personally record his or her own times. Any employee who signs in or out (or who punches a time clock) for another employee or who asks another employee to do so for him or her will be dismissed.

Employees whose normal workweek is less than 40 hours and who work more than their normal number of hours in a given workweek may, at the District's option, be given compensatory time for the hours they worked in excess of their normal workweek in lieu of their regular rate pay. Compensatory time given in this manner shall be subject to the same conditions regarding accumulation and use as compensatory time given in lieu of overtime pay.

Breaks and Meals

Each employee working more than 20 hours per week shall be provided two, paid, 15-minute duty free breaks per workday.

Employees must clock out for a 30-minute lunch each day.

Employees with a bona fide meal period shall be completely relieved of their duty to allow them to eat their meal which they may do away from their work site, in the school cafeteria, or in a break area.

The employee shall not engage in any work for the District during meal breaks except in rare and infrequent emergencies.

Overtime

Covered employees shall be compensated at not less than 1.5 times his or her regular rate of pay for all hours worked over 40 in a workweek. Overtime compensation shall be computed on the basis of the hours worked in each week and may not be waived by either the employee or the District. Overtime compensation shall be paid on the next regular payday for the period in which the overtime was earned.

Employees working two or more jobs for the District at different rates of pay shall be paid overtime at a weighted average of the differing wages. This shall be determined by dividing the total regular remuneration for all hours worked by the number of hours worked in that week to arrive at the weighted average. One half that rate is then multiplied times the number of hours worked over 40 to arrive at the overtime compensation due.

Provided the employee and the District have a written agreement or understanding before the work is performed, compensatory time off may be awarded in lieu of overtime pay for hours worked over 40 in a workweek and shall be

awarded on a one-and-one-half (1 1/2) time basis for each hour of overtime worked. The District reserves the right to determine if it will award compensatory time in lieu of monetary pay for the overtime worked. The maximum number of compensatory hours an employee may accumulate at a time is 20. The employee must be able to take the compensatory time off within a reasonable period of time that is not unduly disruptive to the District.

An employee whose employment is terminated with the District, whether by the District or the employee shall receive monetary compensation for unused compensatory time. Of the following methods, the one that yields the greatest money for the employee shall be used.

1. The average regular rate received by the employee during the last 3 years of employment. Or
2. The final regular rate received by the employee.

Overtime Authorization

There will be instances where the district's needs necessitate employee work overtime. It is the Board's desire to keep overtime worked to a minimum. To facilitate this, employees shall receive authorization from their supervisor in advance of working overtime except in the rare instance when it is unforeseen and unavoidable.

All overtime worked will be paid in accordance with the provisions of the FLSA, but unless the overtime was pre-approved or fit into the exceptions noted previously, disciplinary action must be taken for failure to follow District policy. In extreme and repeated cases, disciplinary action could include the termination of the employee.

Leave Requests

All covered employees shall submit a leave request form prior to taking the leave if possible. If, due to unforeseen or emergency circumstances, advance request was not possible the leave form shall be turned in the day the employee returns to work. Unless specifically granted by the Board for special circumstances, the reason necessitating the leave must fall within District policy.

Payment for leave could be delayed or not occur if an employee fails to turn in the required leave form. Leave may be taken in a minimum of 4-hour increments.⁷

Record Keeping and Postings

The District shall keep and maintain records as required by the FLMA for the period of time required by the act.

The District shall display minimum wage posters where employees can readily observe them.⁹

Cooperation with Enforcement Officials

All records relating to the FLSA shall be available for inspection by, and District employees shall cooperate fully with, officials from the DOL and/or its authorized representatives in the performance of their jobs relating to:

1. Investigating and gathering data regarding the wages, hours, and other conditions and practices of employment;
2. Entering, inspecting, and/or transcribing the premises and its records;
3. Questioning employees and investigating such facts, as the inspectors deem necessary to determine whether any person has violated any provision of the FLSA.

The purpose of this policy is to provide an orderly process for employees to resolve, at the lowest possible level, their concerns related to the personnel policies or salary payments of this district.

Definitions

Grievance: a claim or concern related to the interpretation, application, or claimed violation of the personnel policies, including salary schedules, federal or state laws and regulations, or terms or conditions of employment, raised by an individual employee of this school district. Other matters for which the means of resolution are provided or foreclosed by statute or administrative procedures shall not be considered grievances. Specifically, no grievance may be entertained against a supervisor for directing, instructing, reprimanding, or “writing up” an employee under his/her supervision.¹ A group of employees who have the same grievance may file a group grievance.

Group Grievance: A grievance may be filed as a group grievance if it meets the following criteria: (meeting the criteria does not ensure that the subject of the grievance is, in fact, grievable)

1. More than one individual has interest in the matter; and
2. The group has a well-defined common interest in the facts and/or circumstances of the grievance; and
3. The group has designated an employee spokesperson to meet with administration and/or the board; and
4. All individuals within the group are requesting the same relief.

Employee: any person employed under a written contract by this school district.

Immediate Supervisor: the person immediately superior to an employee who directs and supervises the work of that employee.

Working day: Any weekday other than a holiday whether or not the employee under the provisions of their contract is scheduled to work or whether they are currently under contract.

Process

Level One: An employee who believes that he/she has a grievance shall inform that employee’s supervisor/building principal that the employee has a potential grievance and discuss the matter with the supervisor/building principal within five working days of the occurrence of the grievance. The supervisor/ building principal shall offer the employee an opportunity to have a witness or representative who is not a member of the employee’s immediate family present at their conference. (The five-day requirement does not apply to grievances concerning back pay.) If the grievance is not advanced to Level Two within five working days following the conference, the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

If the grievance cannot be resolved by the immediate supervisor/building principal, the employee can advance the grievance to Level Two. To do this, the employee must complete the top half of the Level Two Grievance Form within five working days of the discussion with the immediate supervisor/building principal, citing the manner in which the specific personnel policy was violated that has given rise to the grievance, and submit the Grievance Form to his/her immediate supervisor/building principal. The supervisor/building principal will have ten working days to respond to the grievance using the bottom half of the Level Two Grievance Form, which he/she will submit to the Equity/Grievance Coordinator.

Level Two (when appeal is to the Equity/Grievance Coordinator): Upon receipt of a Level Two Grievance Form, the Equity/Grievance Coordinator will have ten working days to schedule a conference with the employee filing the grievance. The Equity/Grievance Coordinator shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the Equity/Grievance Coordinator will have ten working days in which to deliver a written response to the grievance to the employee. If the grievance is not advanced to Level Three within five working days the matter will be considered resolved and the employee shall have no further right with respect to said grievance. If the grievance cannot be resolved by the Equity/Grievance Coordinator, the employee can advance the grievance to Level Three. To do this, the employee must submit the top half of the Level Two Grievance Form within five working days of the discussion with the Equity/Grievance Coordinator, citing the manner in which the specific personnel policy was violated that has given rise to the grievance, and submit the Grievance Form to his/her Equity/Grievance Coordinator. The Equity/Grievance Coordinator will have ten working days to respond to the grievance using the bottom half of the Level Two Grievance Form which he/she will submit to the Superintendent.

Level Three Appeal to the Superintendent: If the employee remains unsatisfied with the written response to the grievance, the employee may advance the grievance to the superintendent by submitting a copy of the Level Two Grievance Form and the principal's reply to the superintendent within five working days of his/her receipt of the principal's reply. The superintendent will have ten working days to schedule a conference with the employee filing the grievance. The superintendent shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the superintendent will have ten working days in which to deliver a written response to the grievance to the employee.

Level Four Appeal to the Board of Directors: An employee who remains unsatisfied by the written response of the superintendent may appeal the superintendent's decision to the Board of Education within five working days of his/her receipt of the Superintendent's written response by submitting a written request for a board hearing to the superintendent². If the grievance is not appealed to the Board of Directors within five working days of his/her receipt of the superintendent's response, the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

The school board will address the grievance at the next regular meeting of the school board, unless the employee agrees in writing to an alternate date for the hearing. After reviewing the Level Two Grievance Form and the superintendent's reply, the board will decide if the grievance, on its face, is grievable under district policy. If the grievance is presented as a "group grievance," the Board shall first determine if the composition of the group meets the definition of a "group grievance." If the Board determines that it is a group grievance, the Board shall then determine whether the matter raised is grievable. If the Board rules the composition of the group does not meet the definition of a group grievance, or the grievance, whether group or individual, is not grievable, the matter shall be considered closed. (Individuals within the disallowed group may choose to subsequently refile their grievance as an individual grievance beginning with Level One of the process.) If the Board rules the grievance to be grievable, they shall immediately commence a hearing on the grievance. All parties have the right to representation by a person of their own choosing who is not a member of the employee's immediate family at the appeal hearing before the Board of Directors. The employee shall have no less than 90 minutes, unless a shorter period is agreed to by the employee, to present his/her grievance and both parties shall have the opportunity to present and question witnesses. The hearing shall be open to the public unless the employee requests a private hearing. If the hearing is open, the parent or guardian of any student under the age of eighteen years who gives testimony may elect to have the student's testimony given in closed session. At the conclusion of the hearing, if the hearing was closed, the Board of Directors may excuse all parties except board members and deliberate, by themselves, on the hearing. At the conclusion of an open hearing, board deliberations shall also be in open session unless the board is deliberating the employment, appointment, promotion, demotion, disciplining, or resignation of the employee. A decision on the grievance shall be announced no later than the next regular board meeting.

8.20— NONCERTIFIED PERSONNEL SEXUAL HARASSMENT

The Lincoln Consolidated School District is committed to having an academic and work environment in which all students and employees are treated with respect and dignity. Student achievement and amicable working relationships are best attained in an atmosphere of equal educational and employment opportunity that is free of discrimination. Sexual harassment is a form of discrimination that undermines the integrity of the educational environment and will not be tolerated.

Believing that prevention is the best policy, the district will periodically inform students and employees about the nature of sexual harassment, the procedures for registering a complaint, and the possible redress that is available. The information will stress that the district does not tolerate sexual harassment and that students and employees can report inappropriate behavior of a sexual nature without fear of adverse consequences.

It shall be a violation of this policy for any student or employee to be subjected to, or to subject another person to, sexual harassment as defined in this policy. Any employee found, after an investigation, to have engaged in sexual harassment would be subject to disciplinary action up to, and including, termination.

Sexual harassment refers to unwelcome sexual advances; requests for sexual favors, or other personally offensive verbal, visual, or physical conduct of a sexual nature made by someone under any of the following conditions:

1. Submission to the conduct is made, either explicitly or implicitly, a term or condition of an individual's education or employment;
2. Submission to, or rejection of, such conduct by an individual is used as the basis for academic or employment decisions affecting that individual; and/or
3. Such conduct has the purpose or effect of substantially interfering with an individual's academic or work performance or creates an intimidating, hostile, or offensive academic or work environment.

The terms "intimidating," "hostile," and "offensive" include conduct of a sexual nature which has the effect of humiliation or embarrassment and is sufficiently severe, persistent, or pervasive that it limits the student's or employee's ability to participate in, or benefit from, an educational program or activity or their employment environment.

Within the educational or work environment, sexual harassment is prohibited between any of the following: students; employees and students; non-employees and students; employees; employees and non-employees.

Actionable sexual harassment is generally established when an individual is exposed to a pattern of objectionable behaviors or when a single, serious act is committed. What is, or is not, sexual harassment will depend upon all of the surrounding circumstances. Depending upon such circumstances, examples of sexual harassment include, but are not limited to: unwelcome touching; crude jokes or pictures; discussions of sexual experiences; pressure for sexual activity; intimidation by words, actions, insults, or name calling; teasing related to sexual characteristics; and spreading rumors related to a person's alleged sexual activities.

Employees who believe they have been subjected to sexual harassment are encouraged to file a complaint by contacting their immediate supervisor, administrator, or Title IX coordinator who will assist them in the complaint process. Under no circumstances shall an employee be required to first report allegations of sexual harassment to a school contact person if that person is the individual who is accused of the harassment. To the extent possible, complaints will be treated in a confidential manner. Limited disclosure may be necessary in order to complete a thorough investigation.

(Page 1 of 2)

Employees who file a complaint of sexual harassment will not be subject to retaliation or reprisal in any form.

Employees who knowingly fabricate allegations of sexual harassment shall be subject to disciplinary action up to and including termination.

Individuals who withhold information, purposely provide inaccurate facts, or otherwise hinder an investigation of sexual harassment shall be subject to disciplinary action up to and including termination.

The designated District Technology Administrator or designee may authorize the disabling of the filter to enable access by an adult for a bona fide research or other lawful purpose.

Employees who misuse district-owned computers in any way, including excessive personal use, using computers for personal use during work or instructional time, using computers to violate any other policy, knowingly or negligently allowing unauthorized access, or using the computers to access or create sexually explicit or pornographic text or graphics, will face disciplinary action, up to and including termination or non-renewal of the employment contract.

Year: for leave other than to care for the serious injury or illness of a covered service member, the twelve (12) month period of eligibility shall begin on the first duty day of the school year.

Year: for leave to care for the serious injury or illness of a covered service member, the twelve (12) month period begins on the first day the eligible employee takes FMLA leave to care for a covered service member and ends 12 months after that date.

Policy

The provisions of this policy are intended to be in line with the provisions of the FMLA. If any conflict(s) exist, the Family Medical Leave Act of 1993 as amended shall govern.

Leave Eligibility

The Lincoln Consolidated School District will grant up to twelve (12) weeks of leave in a year in accordance with the Family Medical Leave Act of 1993 (FMLA) as amended to its eligible employees for one or more of the following reasons:

1. Because of the birth of a son or daughter of the employee and in order to care for such son or daughter;
2. Because of the placement of a son or daughter with the employee for adoption or foster care;
3. To care for the spouse, son, daughter, or parent, of the employee, if such spouse, son, daughter, or parent has a serious health condition; and
4. Because of a serious health condition that makes the employee unable to perform the functions of the position of such employee.
5. Because of any qualifying exigency arising out of the fact that the spouse, son, daughter, or parent of the employee is on covered active duty (or has been notified of an impending call or order to covered active duty) in the Armed Forces.
6. To care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury.

The entitlement to leave for reasons 1 and 2 listed above shall expire at the end of the twelve (12) month period beginning on the date of such birth or placement.

An eligible employee who is the spouse, son, daughter, parent, or next of kin of a **covered service member** shall be entitled to a total of 26 weeks of leave during one 12-month period to care for the service member who has a serious injury or illness as defined in this policy. An eligible employee who cares for such a covered service member is limited for reasons 1 through 5 listed above to a total of 12 weeks of leave during a year as defined in this policy. For example, an eligible employee who cares for such a covered service member for 16 weeks during a 12-month period could only take a total of 10 weeks for reasons 1 through 5.

If husband and wife are both eligible employees employed by the district, the husband and wife are entitled to a total of 26 weeks of leave during one 12-month period to care for their spouse, son, daughter, parent, or next of kin who is a **covered service member** with a serious injury or illness as defined in this policy. A husband and wife who care for such a covered service member is limited for reasons 1 through 5 listed above to a total of 12 weeks of leave during a year as defined in this policy. For example, an eligible employee who cares for such a covered service member for 16 weeks during a 12-month period could only take a total of 10 weeks for reasons 1 through 5.

District Notice to Employees

The district shall post, in conspicuous places in each school within the district, where notices to employees and applicants for employment are customarily posted, a notice explaining the FMLA's provisions and providing information about the procedure for filing complaints with the Department of Labor.

Employee Notice to District

Foreseeable:

When the need for leave is foreseeable for reasons 1 through 4 or 6 listed above, the employee shall provide the district with not less than 30 days' notice, before the date the leave is to begin, of the employee's intention to take leave for the specified reason, except that if the date of the treatment requires leave to begin in less than 30 days, the employee shall provide such notice as is practicable. As soon as practicable means as soon as both possible and practical, taking into account all of the facts and circumstances in the individual case.

When the necessity for leave ~~is~~ for reason 5 listed above is foreseeable, whether because the spouse, son, daughter, or parent of the employee is on covered active duty, or because of notification of an impending call or order to covered active duty, the employee shall provide such notice to the district as is reasonable and practicable regardless of how far in advance the leave is foreseeable.

When the need for leave is for reasons 3, 4, or 6 listed above, the employee shall make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the district subject to the approval of the health care provider of the spouse, son, daughter, or parent of the employee.

Failure by the employee to give thirty (30) days notice may delay the taking of FMLA leave until at least thirty (30) days after the date the employee provides notice to the district.

Unforeseeable:

When the approximate timing of the need for leave is not foreseeable, an employee shall provide the district notice of the need for leave as soon as practicable given the facts and circumstances of the particular case.

Ordinarily, the employee shall notify the district within two (2) working days of learning of the need for leave, except in extraordinary circumstances where such notice is not feasible. Notice may be provided in person, by telephone, telegraph, fax, or other electronic means.

Medical Certification

When the need for leave is for reasons 3, 4, or 6 listed above, the employee should provide a medical certification from a licensed, practicing health care provider supporting the need for leave at the time the notice for leave is given, but must provide certification at least fifteen (15) days prior to the date the leave is to begin. The certification shall include the date on which the serious health condition began, the probable duration of the condition, and the appropriate medical facts within the knowledge of the health care provider regarding the condition. Leave taken for reason 3 listed above, must include certification that the eligible employee is needed to care for the son, daughter, spouse, or parent and an estimate of the amount of time the employee is needed to provide the care. For reason 4 listed above, the certification must include a statement that the employee is unable to perform the required functions of his/her position.

If FMLA leave is to be taken on an intermittent or reduced work schedule basis for planned medical treatment, the certification shall include the dates on which such treatment is expected and the duration of such treatment.

Second Opinion: In any case where the district has reason to doubt the validity of the certification provided, the district may require, at its expense, the employee to obtain the opinion of a second health care provider designated or approved by the employer. If the second opinion differs from the first, the district may require, at its expense, the employee to obtain a third opinion from a health care provider agreed upon by both the district and the employee. The opinion of the third health care provider shall be considered final and be binding upon both the district and the employee.

Recertification: The district may request the employee obtain a recertification, at the employee's expense, no more often than every thirty (30) days unless one or more of the following circumstances apply:

- a. The employee requests an extension of leave;
- b. Circumstances described by the previous certification have changed significantly; and/or
- c. The district receives information that casts doubt upon the continuing validity of the certification.

The employee must provide the recertification in no more than fifteen (15) calendar days after the district's request.

No second or third opinion on recertification may be required.

Sick Leave and Family Medical Leave Act (FMLA) Leave

When an employee takes sick leave, the district shall determine if the leave qualifies for FMLA leave. The district may request additional information from the employee to help make the applicability determination. If the leave qualifies under the FMLA, the district will notify the employee, either orally or in writing, of the decision within two workdays. If the leave is intermittent or on a reduced schedule as defined in this policy and the circumstances of the leave don't change, the district is only required to notify the employee once of the determination regarding the applicability of sick leave and/or FMLA leave. To the extent the employee has accrued paid leave, any leave taken that qualifies for FMLA leave shall be paid leave and charged against the employee's accrued leave.

Concurrent Leave

The district requires employees to substitute any applicable accrued leave for any part of the twelve (12) week period of FMLA leave. All FMLA leave is unpaid unless substituted by applicable accrued leave.

Workers Compensation: FMLA leave may run concurrently with a workers' compensation absence when the injury is one that meets the criteria for a serious health condition. To the extent that workers compensation benefits and FMLA leave run concurrently, the employee will not be charged for any paid leave accrued by the employee. If the health care provider treating the employee for the workers compensation injury certifies the employee is able to return to a "light duty job," but is unable to return to the employee's same or equivalent job, the employee may decline the district's offer of a "light duty job." As a result, the employee may lose his/her workers' compensation payments, but for ~~For~~ the duration of the employee's FMLA leave, the employee will be paid for the leave to the extent that the employee has accrued applicable leave.

Health Insurance Coverage

The district shall maintain coverage under any group health plan for the duration of FMLA leave the employee takes at the level and under the conditions coverage would have been provided if the employee had continued in active employment with the district. The employee remains responsible for any portion of premium payments customarily paid by the employee. When on unpaid FMLA leave, it is the employee's responsibility to submit his/her portion of the cost of the group health plan coverage to the district's business office on or before it would be made by payroll deduction.

If an employee gives unequivocal notice of intent not to return to work, or if the employment relationship would have terminated if the employee had not taken FMLA leave, the district's obligation to maintain health benefits ceases.

If the employee fails to return from leave after the period of leave to which the employee was entitled has expired, the district may recover the premiums it paid to maintain health care coverage unless:

- a. The employee fails to return to work due to the continuation, reoccurrence, or onset of a serious health condition that entitles the employee to leave under reasons 3 or 4 listed above; and/or
- b. Other circumstances exist beyond the employee's control.

Circumstances under "a" listed above shall be certified by a licensed, practicing health care provider verifying the employee's inability to return to work.

Reporting Requirements During Leave

Employees shall inform the district every two weeks⁶⁷ during FMLA leave of their current status and intent to return to work.

Return to Work

Medical Certification: An employee who has taken FMLA leave under reason 4 stated above shall provide the district with certification from a health care provider that the employee is able to resume work.

Return to Previous Position: An employee returning from FMLA leave is entitled to be returned to the same position the employee held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. An equivalent position must involve the same or substantially similar duties and responsibilities, which must entail substantially equivalent skill, effort, and authority. The employee may not be restored to a position requiring additional licensure or certification.

Failure to Return to Work: In the event that an employee is unable or fails to return to work, the superintendent will make a determination at that time regarding the documented need for a severance of the employee's contract due to the inability of the employee to fulfill the responsibilities and requirements of their contract.

Intermittent or Reduced Schedule Leave

Eligible employees may only take intermittent or reduced schedule leave for reasons 1 and 2 listed above if the district agrees to permit such leave upon request of the employee.

Eligible employees may take intermittent or reduced schedule leave due to reasons 3, 4, and 6 listed above if they have

- (A) Made a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the employer, subject to the approval of the health care provider of the employee or the health care provider of the son, daughter, spouse, or parent of the employee, as appropriate; and
- (B) Provided the employer with not less than 30 days' notice, before the date the leave is to begin, of the employee's intention to take leave under such subparagraph, except that if the date of the treatment requires leave to begin in less than 30 days, the employee shall provide such notice as is practicable.

Eligible employees requesting intermittent or reduced schedule leave that is foreseeable based on planned medical treatment may be transferred to an alternative position for which the employee is qualified with equivalent pay and benefits that better accommodates the employee's intermittent or reduced schedule leave.

If an eligible employee who meets the definition of an instructional employee requests intermittent or reduced schedule leave that is foreseeable based on planned medical treatment and the employee would be on leave for greater than 20 percent of the total number of working days in the period during which the leave would extend, the district may require the employee to elect either:

1. To take medical leave for periods of a particular duration, not to exceed the duration of the planned medical treatment; or
2. To transfer temporarily to an available alternative position offered by the employer for which the employee is qualified and that has equivalent pay and benefits and better accommodates recurring periods of leave than the regular employment position of the employee.

Leave taken by eligible instructional employees near the end of the academic term

Leave more than 5 weeks prior to end of term

- If the eligible, instructional employee begins leave, due to reasons 1 through 6 listed above more than 5 weeks prior to the end of the academic term, the district may require the employee to continue taking leave until the end of such term, if
 - (A) The leave is of at least 3 weeks duration; and
 - (B) The return to employment would occur during the 3-week period before the end of such term.

Leave less than 5 weeks prior to end of term

If the eligible, instructional employee begins leave, due to reasons 1, 2, 3, or 6 listed above during the period that commences 5 weeks prior to the end of the academic term, the district may require the employee to continue taking leave until the end of such term, if

- (A) The leave is of greater than 2 weeks duration; and
- (B) The return to employment would occur during the 2-week period before the end of such term.

Leave less than 3 weeks prior to end of term

If the eligible, instructional employee begins leave, due to 1, 2, 3, or 6 listed above during the period that commences 3 weeks prior to the end of the academic term and the duration of the leave is greater than 5 working days, the agency or school may require the employee to continue to take leave until the end of such term.

School employees who have witnessed, or are reliably informed that, a student has been a victim of bullying as defined in this policy, including a single action, which if allowed to continue would constitute bullying, shall report the incident(s) to the principal. The principal or his/her designee shall be responsible for investigating the incident(s) to determine if disciplinary action is warranted.

The person or persons reporting behavior they consider to be bullying shall not be subject to retaliation or reprisal in any form.

District staff is required to help enforce implementation of the district's anti-bullying policy. The district's definition of bullying is included below. Students who bully another person are to be held accountable for their actions whether they occur on school equipment or property; off school property at a school-sponsored or school-approved function, activity, or event; or going to or from school or a school activity. Students are encouraged to report behavior they consider to be bullying, including a single action, which if allowed to continue would constitute bullying, to their employee, staff member, or the building principal. The report may be made anonymously.

Definitions:

Electronic act means without limitation a communication or image transmitted by means of an electronic device, including without limitation a telephone, wireless phone or other wireless communications device, computer, or pager that results in the substantial disruption of the orderly operation of the school or educational environment.

Electronic acts of bullying are prohibited whether or not the electronic act originated on school property or with school equipment, if the electronic act is directed specifically at students or school personnel and maliciously intended for the purpose of disrupting school, and has a high likelihood of succeeding in that purpose;

Harassment means a pattern of unwelcome verbal or physical conduct relating to another person's constitutionally or statutorily protected status that causes, or reasonably should be expected to cause, substantial interference with the other's performance in the school environment; and

or
- Exhibition of other behaviors by students or educational staff that substantially interfere with the learning environment.

Examples of "Bullying" may include but are not limited to a pattern of behavior involving one or more of the following:

Any staff member who, while in the course of their employment, is injured by an assault or other violent act; while intervening in a student fight; while restraining a student; or while protecting a student from harm, shall be granted a leave of absence for up to one (1) year from the date of the injury, with full pay.

A leave of absence granted under this policy shall not be charged to the staff member's sick leave.

In order to obtain leave under this policy, the staff member must present documentation of the injury from a physician, with an estimate for time of recovery sufficient to enable the staff member to return to work, and written statements from witnesses (or other documentation as appropriate to a given incident) to prove that the incident occurred in the course of the staff member's employment.

8.28— DRUG FREE WORKPLACE - NONCERTIFIED PERSONNEL

The conduct of district staff plays a vital role in the social and behavioral development of our students. It is equally important that the staff have a safe, healthful, and professional environment in which to work. To help promote both interests, the district shall have a drug free workplace. It is, therefore, the district's policy that district employees are prohibited from the unlawful manufacture, distribution, dispensation, possession, or use of controlled substances, illegal drugs, inhalants, alcohol, as well as inappropriate or illegal use of prescription drugs. Such actions are prohibited both while at work or in the performance of official duties while off district property; violations of this policy will subject the employee to discipline, up to and including termination.

To help promote a drug free workplace, the district shall establish a drug-free awareness program to inform employees about the dangers of drug abuse in the workplace, the district's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance abuse programs, and the penalties that may be imposed upon employees for drug abuse violations.

Should any employee be found to have been under the influence of, or in illegal possession of, any illegal drug or controlled substance, whether or not engaged in any school or school-related activity, and the behavior of the employee, if under the influence, is such that it is inappropriate for a school employee in the opinion of the superintendent, the employee may be subject to discipline, up to and including termination. This policy also applies to those employees who are under the influence of alcohol while on campus or at school-sponsored functions, including athletic events.

Possession, use or distribution of drug paraphernalia by any employee, whether or not engaged in school or school-related activities, may subject the employee to discipline, up to and including termination. Possession in one's vehicle or in an area subject to the employee's control will be considered to be possession as though the substance were on the employee's person.

It shall not be necessary for an employee to test at a level demonstrating intoxication by any substance in order to be subject to the terms of this policy. Any physical manifestation of being under the influence of a substance may subject an employee to the terms of this policy. Those physical manifestations include, but are not limited to: unsteadiness; slurred speech; dilated or constricted pupils; incoherent and/or irrational speech; or the presence of an odor associated with a prohibited substance on one's breath or clothing.

Should an employee desire to provide the District with the results of a blood, breath or urine analysis, such results will be taken into account by the District only if the sample is provided within a time range that could provide meaningful results and only by a testing agency chosen or approved by the District. The District shall not request that the employee be tested, and the expense for such voluntary testing shall be borne by the employee.

Any employee who is charged with a violation of any state or federal law relating to the possession, use or distribution of illegal drugs, other controlled substances or alcohol, or of drug paraphernalia, must notify his immediate supervisor within five (5) week days (i.e., Monday through Friday, inclusive, excluding holidays) of being so charged. The supervisor who is notified of such a charge shall notify the Superintendent immediately. If the supervisor is not available to the employee, the employee shall notify the Superintendent within the five (5) day period.

Any employee so charged is subject to discipline, up to and including termination. However, the failure of an employee to notify his supervisor or the Superintendent of having been so charged shall result in that employee being recommended for termination by the Superintendent.

Any employee convicted of any criminal drug statute violation for an offense that occurred while at work or in the performance of official duties while off district property shall report the conviction within 5 calendar days to the superintendent. Within 10 days of receiving such notification, whether from the employee or any other source, the district shall notify federal granting agencies from which it receives funds of the conviction. Compliance with these requirements and prohibitions is mandatory and is a condition of employment.

Any employee convicted of any state or federal law relating to the possession, use or distribution of illegal drugs, other controlled substances, or of drug paraphernalia, shall be recommended for termination.

Any employee who must take prescription medication at the direction of the employee's physician, and who is impaired by the prescription medication such that he cannot properly perform his duties shall not report for duty. Any employee who reports for duty and is so impaired, as determined by his supervisor, will be sent home. The employee shall be given sick leave, if owed any. The District or employee will provide transportation for the employee, and the employee may not leave campus while operating any vehicle. It is the responsibility of the employee to contact his physician in order to adjust the medication, if possible, so that the employee may return to his job unimpaired. Should the employee attempt to return to work while impaired by prescription medications, for which the employee has a prescription, he will, again, be sent home and given sick leave, if owed any; Should the employee attempt to return to work while impaired by prescription medication a third time the employee may be subject to discipline, up to and including a recommendation of termination.

Any employee who possesses, uses, distributes or is under the influence of a prescription medication obtained by a means other than his own current prescription shall be treated as though he was in possession, possession with intent to deliver, or under the influence, etc. of an illegal substance. An illegal drug or other substance is one which is (a) not legally obtainable; or (b) one which is legally obtainable, but which has been obtained illegally. The District may require an employee to provide proof from his physician and/or pharmacist that the employee is lawfully able to receive such medication. Failure to provide such proof, to the satisfaction of the Superintendent, may result in discipline, up to and including a recommendation of termination.

8.29—NONCERTIFIED PERSONNEL VIDEO SURVEILLANCE

The board has a responsibility to maintain discipline, protect the safety, security, and welfare of its students, staff, and visitors while at the same time safeguarding district facilities, vehicles, and equipment. As part of fulfilling this responsibility, the board authorizes the use of video/audio surveillance cameras. The placement of video/audio surveillance cameras shall be based on the presumption and belief that students, staff and visitors have no reasonable expectation of privacy anywhere on or near school property, facilities, vehicles, or equipment, with the exception of places such as rest rooms or dressing areas where an expectation of privacy is reasonable and customary.

Signs shall be posted on district property and in or on district vehicles to notify students, staff, and visitors that video cameras may be in use. Violations of school personnel policies or laws caught by the cameras may result in disciplinary action.

The district shall retain copies of video recordings until they are erased, which may be accomplished by either deletion, or copying over with a new recording.

Videos containing evidence of a violation of district personnel policies and/or state or federal law shall be retained until the issue of the misconduct is no longer subject to review or appeal as determined by board policy or staff handbook; any release or viewing of such records shall be in accordance with current law.

Staff who vandalize, damage, defeat, disable, or render inoperable (temporarily or permanently) surveillance cameras and equipment shall be subject to appropriate disciplinary action and referral to appropriate law enforcement authorities.

Video recordings may become a part of a staff member's personnel record.

8.30—NONCERTIFIED PERSONNEL REDUCTION IN FORCE

SECTION ONE

The School Board acknowledges its authority to conduct a reduction in force (RIF) when a decrease in enrollment or other reason(s) make such a reduction necessary or desirable. A RIF will be conducted when the need for a reduction in the work force exceeds the normal rate of attrition for that portion of the staff that is in excess of the needs of the district as determined by the superintendent.

In effecting a reduction in force, the primary goals of the school district shall be: what is in the best interests of the students; to maintain accreditation in compliance with the Standards of Accreditation for Arkansas Public Schools and/or the North Central Association; and the needs of the district. A reduction in force will be implemented when the superintendent determines it is advisable to do so and shall be effected through non-renewal, termination, or both. Any reduction in force will be conducted by evaluating the needs and long- and short-term goals of the school district in relation to the staffing of the district.

If a reduction in force becomes necessary, the RIF shall be conducted separately for each occupational category of noncertified personnel identified within the district on the basis of each employee's years of service. The employee within each occupational category with the least years of experience will be laid off first. The employee with the most years of employment in the district as compared to other employees in the same category shall be laid off last. In the event that employees within a given occupational category have the same length of service to the district the one with the earlier hire date, based on date of board action, will prevail.

All credited years of service must be verified by documents on file with the District by October 1 of the current school year. All non-certified employees shall receive a listing of the personnel within their category with corresponding point totals. Upon receipt of the list, each employee has ten (10) working days within which to appeal his or her assignment of points with the superintendent whose decision shall be final.

Total years of service to the district shall include non-continuous years of service; in other words, an employee who left the district and returned later will have the total years of service counted, from all periods of employment. Working fewer than 120 days in a school year shall not constitute a year. Length of service in a certified position shall not count for the purpose of length of service for a non-certified position. There is no right or implied right for any employee to "bump" or displace any other employee. This specifically does not allow a certified employee who might wish to assume a noncertified position to displace a noncertified employee.

Pursuant to any reduction in force brought about by consolidation or annexation and as a part of it, the salaries of all employees will be brought into compliance, by a partial RIF if necessary, with the receiving district's salary schedule. Further adjustments will be made if length of contract or job assignments change.¹ A Partial RIF may also be conducted in conjunction with any job reassignment whether or not it is conducted in relation to an annexation or consolidation.

If an employee is non-renewed under this policy, he or she shall be offered an opportunity to fill a vacancy for which he or she is qualified for a period of up to two (2) years. The non-renewed employee shall be recalled for a period of two (2) years in reverse order of the layoff to any position for which he or she is qualified. Notice of vacancies to non-renewed employees shall be by certified mail and they shall have 10 working days from the date that the notification is received in which to accept the offer of a position. A lack of response or a non-renewed employee's refusal of a position shall end the district's obligation to replace the laid-off employee.

SECTION TWO

The employees of any school district which annexes to, or consolidates with, the Lincoln Consolidated School District will be subject to dismissal or retention at the discretion of the school board, on the recommendation of the superintendent, solely on the basis of need for such employees on the part of the Lincoln Consolidated School District, if any, at the time of the annexation or consolidation, or within ninety (90) days after the effective date of the annexation or consolidation. The superintendent and school board of the Lincoln Consolidated School District shall determine the need for any employee of the annexed or consolidated school district.

Such employees will not be considered as having any seniority within the Lincoln Consolidated School District and may not claim an entitlement under a reduction in force to any position held by a Lincoln Consolidated School District employee prior to, or at the time of, or prior to the expiration of ninety (90) days after the consolidation or annexation, if the notification provision below is undertaken by the superintendent.

The superintendent shall mail or have hand-delivered the notification to such employee of his intention to recommend non-renewal or termination pursuant to a reduction in force within ninety (90) days of the effective date of the annexation or consolidation in order to effect the provisions of this section of the Lincoln Consolidated School District's reduction-in-force policy. Employees who are non-renewed or terminated pursuant to Section Two are not subject to recall. Any such employees shall be paid at the rate for each person on the appropriate level on the salary schedule of the annexed or consolidated district during those ninety (90) days and/or through the completion of the reduction-in-force process.

This subsection of the reduction-in-force policy shall not be interpreted to provide that the superintendent must wait ninety (90) days from the effective date of the annexation or consolidation in order to issue notification of his intention to recommend dismissal through reduction-in-force, but merely that the superintendent has that period of time in which to issue notification so as to be able to invoke the provisions of this section.

The intention of this section is to ensure that employees of the annexed or consolidated district shall not displace those----, District employees, who are employed prior to the annexation or consolidation, by application of the reduction-in-force policy.

Twelve-month employees are allowed two weeks maximum vacation during the year.

Vacations will normally be taken during the summer months when school is not in session. However, conditions and work schedules may warrant time off during other parts of the year.

The employee's immediate supervisor and the superintendent of schools must approve all vacation time.

Vacation days are not accumulative. Any vacation time in excess of two weeks will be deducted from the regular salary, and must be approved by the superintendent prior to the time of leave.

8.34—NONCERTIFIED PERSONNEL WHO ARE MANDATORY REPORTERS DUTY TO REPORT CHILD ABUSE, MALTREATMENT OR NEGLECT

It is the statutory duty of noncertified school district employees **who are mandatory reporters**¹ and who have reasonable cause to suspect child abuse or maltreatment to directly and personally report these suspicions to the Arkansas Child Abuse Hotline, by calling 1-800-482-5964. Failure to report suspected child abuse, maltreatment or neglect by calling the Hotline can lead to criminal prosecution and individual civil liability of the person who has this duty. Notification of local or state law enforcement does not satisfy the duty to report; only notification by means of the Child Abuse Hotline discharges this duty.

The duty to report suspected child abuse or maltreatment is a direct and personal duty for statutory mandatory reporters, and cannot be assigned or delegated to another person. There is no duty to investigate, confirm or substantiate statements a student may have made which form the basis of the reasonable cause to believe that the student may have been abused or subjected to maltreatment by another person; however, a person with a duty to report may find it helpful to make a limited inquiry to assist in the formation of a belief that child abuse, maltreatment or neglect has occurred, or to rule out such a belief². Employees and volunteers who call the Child Abuse Hotline in good faith are immune from civil liability and criminal prosecution.

By law, no school district or school district employee may prohibit or restrict an employee or volunteer **who is a mandatory reporter** from directly reporting suspected child abuse or maltreatment, or require that any person notify or seek permission from any person before making a report to the Child Abuse Hotline.

8.35—OBTAINING AND RELEASING STUDENT’S FREE AND REDUCED PRICE MEAL ELIGIBILITY

Obtaining Eligibility Information

A fundamental underpinning of the National School Lunch and School Breakfast Programs (Programs) is that in their implementation, there will be no physical segregation of, discrimination against, or overt identification of children who are eligible for the Program's benefits. While the requirements of the Programs are defined in much greater detail in federal statutes and pertinent Code of Federal Regulations, this policy is designed to help employees understand prohibitions on how the student information is obtained and/or released through the Programs. Employees with the greatest responsibility for implementing and monitoring the Programs should obtain the training necessary to become fully aware of the nuances of their responsibilities.

The District is required to inform households with children enrolled in District schools of the availability of the Programs and of how the household may apply for Program benefits. However, the District and anyone employed by the district is **strictly forbidden** from **requiring** any household or student within a household from submitting an application to participate in the program. There are NO exceptions to this prohibition and it would apply, for example, to the offer of incentives for completed forms, or disincentives or negative consequences for failing to submit or complete an application. Put simply, federal law requires that the names of the children shall not be published, posted or announced in any manner.

In addition to potential federal criminal penalties that may be filed against a staff member who violates this prohibition, the employee shall be subject to discipline up to and including termination.

Releasing Eligibility Information

As part of the district’s participation in the National School Lunch Program and the School Breakfast Program, the district collects eligibility data from its students. The data’s confidentiality is very important and is governed by federal law. The district has made the determination to release student eligibility status or information as permitted by law. Federal law governs how eligibility data may be released and to whom. The district will take the following steps to ensure its confidentiality:

Some data may be released to government agencies or programs authorized by law to receive such data without parental consent, while other data may only be released after obtaining parental consent. In both instances, allowable information shall only be released on a need to know basis to individuals authorized to receive the data.

The recipients shall sign an agreement with the district specifying the names or titles of the persons who may have access to the eligibility information. The agreement shall further specify the specific purpose(s) for which the data will be used and how the recipient(s) shall protect the data from further, unauthorized disclosures.

The superintendent shall designate the staff member(s) responsible for making eligibility determinations. Release of eligibility information to other district staff shall be limited to as few individuals as possible who shall have a specific need to know such information to perform his/her job responsibilities. Principals, counselors, teacher, and administrators shall not have routine access to eligibility information or status. Each staff person with access to individual eligibility information shall be notified of their personal liability for its unauthorized disclosure and shall receive appropriate training on the laws governing the restrictions of such information.

8.36---NONCERTIFIED PERSONNEL WORKPLACE INJURIES AND WORKERS' COMPENSATION

The district provided Workers' Compensation Insurance, as required by law. Employees who sustain any injury at work must immediately notify their immediate supervisor/principal, or in the absence of their immediate supervisor/principal notify the district accounts payable clerk. An injured employee must fill out a Form N and the employee's supervisor will determine whether to report the claim or to file the paperwork if the injury requires neither medical treatment or lost work time. While many injuries will require no medical treatment or lost work time, should the need arise later, it is important that there be a record that the injury occurred. All employees have a duty to provide information and make statements as requested for the purposes of the claim assessment and investigation.

For injuries requiring medical attention, the district will exercise its right to designate the initial treating physician and an injured employee will be directed to seek medical attention, if necessary, from a specified physician or clinic.

Workers' Compensation absences may be designated as FMLA absences when the criteria are met under FMLA for a serious health condition.

An employee who is absent from work due to a workplace injury or receiving temporary disability benefits due to a Worker's Compensation claim will utilize any sick leave accumulation he or she may have at the rate of 1/3 of a sick leave day for a day of absence to bring the total amount of combined income up to 100% of usual contracted pay, unless the employee give the school district written notice to not use sick leave days in this manner. No employee may realize a net compensation gain from a combination of Workers' Compensation benefits and sick leave in excess of contracted pay. Sick leave days used for workplace injuries will not be restored to the employee.

8.37—CLASSIFIED PERSONNEL SOCIAL NETWORKING AND ETHICS

District staff are encouraged to use educational technology, the Internet, and professional/education social networks to help raise student achievement and to improve communication with parents and students. However, technology and social networking websites also offer staff many ways they can present themselves unprofessionally and/or interact with students inappropriately.

It is the duty of each staff member to appropriately manage all interactions with students, regardless of whether contact or interaction with a student occurs face-to-face or by means of technology, to ensure that the appropriate staff/student relationship is maintained. This includes instances when students initiate contact or behave inappropriately themselves.

Public school employees are, and always have been, held to a high standard of behavior. Staff members are reminded that whether specific sorts of contacts are permitted or not specifically forbidden by policy, they will be held to a high standard of conduct in all their interactions with students. Failure to create, enforce and maintain appropriate professional and interpersonal boundaries with students could adversely affect the District's relationship with the community and jeopardize the employee's employment with the district.

Definitions:

Social networking websites are online groups of Internet users allowing communication between multiple individuals. The fundamental purpose of social networking websites is to socialize. Examples include, but are not limited to, Facebook, MySpace, and Twitter. Staff members are discouraged from creating personal social networking sites to which they invite students to be friends or followers.¹ Employees taking such action do so at their own risk and are advised to monitor the site's privacy settings regularly.

Professional/education social networks are education-oriented websites designed to allow and encourage staff and students to communicate and collaborate around school subjects and projects. District employees may set up blogs and other professional/education social networking accounts using District resources and following District guidelines¹ to promote communications with students, parents, and the community concerning school-related activities and for the purpose of supplementing classroom instruction. Accessing professional/education social networks during school hours is permitted.

Blogs are a type of networking and can be either social or professional in their orientation. Professional blogs, approved by the principal or his/her designee, are encouraged and can provide a place for staff to inform students and parents on school related activities. Social blogs are discouraged to the extent they involve staff and students in a non-education oriented format.

Staff is reminded that the same relationship, exchange, interaction, information, or behavior that would be unacceptable in a non-technological medium, is unacceptable when done through the use of technology. In fact, due to vastly increased potential audience digital dissemination presents, staff to ensure they don't cross the line of acceptability must exercise extra caution. A good rule of thumb for staff to use is "I you would not say it face-to-face in a group do not say it online."

Whether permitted or not specifically forbidden by policy, or when expressed in an adult-to-adult, face-to-face context, what in other mediums of expression could remain private opinions, when expressed by staff on a social networking website, have the potential to be disseminated far beyond the speaker's desire or intention.

This could undermine the public's perception of the individual's fitness to interact with students, thus undermining the employee's effectiveness. In this way, the expression and publication of such opinions, could potentially lead to disciplinary action being taken against the staff member, up to and including termination or nonrenewal of the contract of employment.

Accessing social networking websites for personal use during school hours is prohibited, except during breaks or preparation periods. All school district employees who participate in social networking websites shall not post any school district data, documents, photographs, logos, or other district owned or created information on any website. 8.38—NONCERTIFIED PERSONNEL VACATIONS

All 12 month (240/245) employees must work a full year for the district before being eligible for vacation leave.

All 12 month personnel will be given two weeks paid vacation each year. All vacation time must be taken between July 1 and June 30th for the year that it is earned, extended through December 31. Example: July 1, 2015 to June 30, 2016, extended to December 31, 2016).

All 12 month contracted employees are credited with 10 days of vacation at the beginning of each fiscal year. This is based on the assumption that a full contract year will be worked. If an employee fails to finish the contract year due to resignation or termination, the employee's final check will be reduced at the rate of .833 days per month, or major portion of a month, for any days used but not earned.

Twelve-month employees are allowed two weeks maximum vacation during the year. Vacations will normally be taken during the summer months when school is not in session. However, conditions and work schedules may warrant time off during other parts of the year.

The employee's immediate supervisor and the superintendent of schools must approve all vacation time.

Vacation days are not accumulative. Any vacation time in excess of two weeks will be deducted from the regular salary, and must be approved by the superintendent prior to the time of leave.
