## **ATTENTION PARENTS**

Washington Regional's West Washington County Clinic is excited to partner with Lincoln Public Schools to operate the Wellness Clinic, formerly run by Community Clinic of Springdale.

The clinic is open 5 days a week for students, teachers and the public.

The clinic offers preventative visits, sports and camp physicals, routine immunizations, as well as sick and chronic care visits. Most major insurances, ARKids and self-pay accepted.

### ***CALL TO GET YOUR CHILD ESTABLISHED TODAY!***

Jennifer Cheatham, MD and Tera Thompson, APRN would love to get your child established so they can be treated at school without putting a stop to your day. Schedule a well-child visit today.

We see patients of all ages...newborn to senior adults. If you are looking for a *Family Medical Home* for your child, your family or yourself, please give us a call. We'll be happy to see you.
