

Married or Pregnant Students

JFE

The marriage or pregnancy of a student shall not affect the right of students to receive a public education nor their privileges as students of the district nor their opportunities to take part in any extracurricular activities or honors offered by the school. However, in such cases the following shall apply:

1. Students who become married shall report the marriage to the principal.
2. Girls who become pregnant and wish to remain in school will be permitted to do so with the approval of their physician. The physician will state whether or not attendance and full participation in the regular school program is advisable. If continued attendance is not advised by the physician, the principal is authorized to make special arrangements for the instruction of the student and to provide an educational program designed to meet her special needs.
