

Professional Staff Supplementary Pay Plans

GCBB

Teachers who are regularly assigned to duties which require extra time or responsibilities over and above their basic contractual obligations will receive extra compensation in accordance with a supplementary salary schedule set annually by the Board. Most stipends will be paid on an annual or seasonal basis, although certain assignments performed at irregular or infrequent intervals may be paid at an hourly rate.

Faculty members to be appointed to extra compensation positions will be recommended by the superintendent and approved by the Board. Appointees will be issued a contract for terms of their extra employment, stating their particular assignment, its duration and the compensation to be paid.
