

Programs for Handicapped Students

IGBA

The district shall provide special education and training opportunities for each school age child residing in the district who has a mental, physical or psychological handicap or social maladjustment, which impairs learning.

These services shall be provided within the district or by other agencies under contract with the district.

The services will be provided in accordance with state statutes and rules and regulations of the Wyoming State Board of Education.

The superintendent shall be responsible for organizing, coordinating, and implementing all of these services in the district.
