

Student Insurance Program

JHA

A student accident insurance program providing broad coverage at minimal cost to parents will be made available to all students. The protection, when purchased by the parent, will cover the student while at school, on the way to and from school and when engaged in school-sponsored activities either on the school grounds or elsewhere. Through this plan additional insurance coverage may also be purchased which will cover students participating in interscholastic athletics.

Before any student will be permitted to participate in any school sports activities, he/she must be covered by insurance or a waiver must be presented that absolves the school district of any medical liability for accidents.
