

Suspension and Dismissal of Professional Staff Members

GCPD

Procedures for the suspension, termination, or dismissal of certificated employees will be those established by law. The superintendent shall promptly report any suspension to the Board. The superintendent and Board action in regard to continuing contract teachers will be governed by the Rules of Practice and Procedure Governing Hearings Before the Board of Trustees, Crook County School District No. One, for Suspension, Dismissal, or Termination of Continuing Contract Teachers.

Initial contract teachers employed by the district in excess of 90 continuous working days shall be given written reasons for non-renewal.
