

## **Visitors to the School**

**KK**

It is the policy of the Board to encourage parents and other citizens of the district to visit classrooms at any time to observe the work of the schools. The Board believes there is no better way for the public to learn what the schools are actually doing.

In order to assure that no unauthorized persons enter the buildings with wrongful intent, all visitors to the schools will report to the school office to receive assistance from the staff to make their visit elsewhere in the building more efficient and profitable. This practice will not apply when parents have been invited to visit school.
