Dear Parents and Guardians,

April 2018

I will be using student data and teacher feedback to help create the class lists for the 2018-2019 school year. Data driven decision-making, along with teacher input, will guide me in creating effective classrooms that are conducive to student learning. With that said, every decision that is made should be in the best interest of the child.

As you know, there are many criteria to consider when placing students. I believe that when we try to see a situation from another perspective, we gain a greater understanding of the “big picture.” Although, I am starting to gather this information now, final class lists will not be available until sometime this summer. There are NO guarantees that your request will be granted, but I will do my best to place your child in the best learning environment possible. Working together, we can provide the essential tools necessary for every child to have a rewarding learning experience. Thank you for your understanding.

If you would like to make a specific teacher request, please fill out the form below and return it to Sarah, at SES by **May 18, 2018**. Our address is PO Box 870, Sundance, WY, 82729. **Please address the letter to me.**

Sincerely,

Mr. Brian Hartwig, Elementary Principal

Please return to school in person or by mail.
