

## Notice – Public Input Requested

Public input is being requested for the purpose of gathering feedback for writing the 2021-2022 Consolidated Grant for Crook County School District No. One. Meeting times are listed below.

We would appreciate any input you may be able to share. We look forward to your attendance at any of the following meetings or you can take a few moments to review the previous year's grant information on the School District's website [www.crook1.com](http://www.crook1.com) then fill out the Google Survey Form with any concerns, ideas or needs you may wish to have considered. Or, print out the last page of the grant information and complete the questionnaire and mail or drop by Central Office in Sundance.

**Tuesday April 6, Hulett School at 4:00 pm**

**Wednesday April 7, Moorcroft K-8 at 4:00 pm**

**Thursday April 8, Sundance High School at 4:00 pm**

Please submit your response by Monday April 18, 2021.

Please publish: Week of March 29, 2021

**Public Input Concerning the 2021-2022 Consolidated Grant Federal Funds  
Application for Crook County School District**

Crook County School District is in the process of writing its 2021-2022 Consolidated Grant. This Consolidated Grant is composed of six (6) grants and/or sub-titles, of which the district is eligible to participate in seven. The six grant areas are:

Grant	Description	Contact
Title I-A	Used in elementary schools to promote reading and math improvement	Melissa Ruml
Title II-A	Used to train teachers and paraprofessionals	Melissa Ruml
Title IV	Used for student support and academic achievement for well-rounded education	Melissa Ruml
Perkins	Used to strengthen high school vocational programs	Melissa Ruml
Title VI-B	Used to supplement educational programs for students with disabilities	Melissa Ruml
Title VI-B (Preschool)	Used as Title VIB above but specifically targets Preschool aged students with special needs	Melissa Ruml
21 <sup>st</sup> Century	Used to provide opportunities for academic enrichment and tutorial services	Melissa Ruml

All members of the public served by Crook County School District are invited to participate in the grant writing process. In addition to general public input, the chart on the following page displays the unique constituency input required for each individual grant. The District will post a request for public input on [www.crook1.com](http://www.crook1.com) to be used in assisting with writing the Consolidated Grant.

**Tuesday April 6, Hulett School at 4:00 pm**

**Wednesday April 7, Moorcroft K-8 at 4:00 pm**

**Thursday April 8, Sundance High School at 4:00 pm**

You may also provide input by contacting the above listed grant manager(s) by phone, e-mail or in writing.

The following chart summarizes the federally required constituencies from whom input is required for each specific grant within the consolidated grant.
