

Platte County School District #1

Strategic Action Plan

2018-19

Goal #1:	Continue to increase workplace collaboration in the areas of curriculum, instruction and assessment to create organizational focus to assist students in being successful
Objective 1:	The district will create Professional Learning Communities to discuss and define priorities in the areas of Curriculum, Instruction and Assessment to increase operational effectiveness, increase stakeholder input and feedback, and increase student achievement.
Goal #2:	Implement a Multi-tiered System of Support to Ensure Students Receive Proper Resources in a Systematic Process
Objective 1:	The district will expand the MTSS process to separate Behavior and Academics into two distinct systems. Processes to screen, identify, serve, and evaluate students in each of these two areas will be built out and implemented.
Objective 2:	The district will research and implement a series of student advocacy programs designed to increase individual student self-esteem, positive behavior and greater academic commitment.
Goal #3:	Implement a comprehensive assessment system that generates a range of data about student learning and use the results to guide continuous improvement.
Objective 1:	Collaboratively build assessments that drive instruction to address gaps in learning within and across grade levels, content areas, and departments to ensure all students are ready for their next level of learning.
Objective 2:	Implement assessments that are valid and reliable and will monitor the progress of students identified as needing interventions and/or enrichments.
Goal #4:	Raise the relevance of school and education to students so it matches the rigor provided by the curriculum of the district.
Objective 1:	The district will utilize a variety of communication methods to raise awareness of the lifelong rewards of education and being educated among students and parents.
Objective 2:	The district will create memorable learning experiences which will be used to design and implement a district vision for learning. <i>(WDE Item #4)</i>
