

Thank you to everyone for helping us ensure our students have access to every educational opportunity possible. Just a few reminders as we move into Thanksgiving break and then on into Christmas.

With winter weather approaching and the potential for before school indoor recess, please drop your students off in the loop outside the Main school. You can stop in front of the sidewalk to let the kids out and when they reach the side walk, pull forward and on out of the driveway to the sixth street exit. We will direct them where they need to go from there. Please always be mindful students often cross the parking lot so please drive with extreme caution to prevent students from being hit.

We appreciate your cooperation in completing the Covid checks on the students before sending them to school. If they are sick, please keep them home. We respectfully request sending them a CLEAN mask everyday so we can ensure they are breathing clean air during the times they need to wear one. We are working very hard to ensure students stay as far apart as possible, and are only requiring the use of the masks when 6 feet distance cannot be maintained. Additionally, please note, when adults enter our building, masks are required. Thank you for your cooperation.

In the event your student becomes quarantined and is not sick, elementary teachers will put weekly work together in either copy or google classroom form, and may schedule a google meet for the kids to join. Secondary students are required to join the google meet for EVERY class, failure to do so will count as an absence for that class. Students are also required to complete their assignments by the designated due date as though they were in class. This will help us ensure they are staying up with their educational learning opportunities as best as we can.

We are holding our Christmas program the evening of December 10 at 6 p.m. We hope you will join us and celebrate our Wyoming Christmas and we will follow all COVID restrictions including the use of masks.

Part of our Title I funding comes from our free and reduced lunch count. If you feel you would qualify for free and reduced lunch (if they were not free) PLEASE complete the free and reduced paperwork as soon as possible.

We have school next Monday and Tuesday, and then the students will be out for the rest of the week for Thanksgiving break.

We wish you a wonderful Thanksgiving and thank you for helping us cross the line in a positive direction.
