

Platte County School District #1
Indoor and Outdoor Activity Guidance
Updated: August 14, 2020

Spectators: Priority for attendance at all PCSD#1 activities will be given to parents and immediate family of the contestants/performers. Students of the host school will also be allowed to attend home contests based on available seating. PCSD#1 will reserve seating for 75 visiting spectators at contests in the gym and football field.

All game management workers, officials, coaches, and contestants will be screened for symptoms including having a temperature taken.

School staff working the contest, scorers, officials, contestants, cheerleaders, and members of the pep band do not count toward the limit in the health order.

Indoor: The current health order allows for gatherings of no more than 250 people. Spectators will need to be seated by family groups. Priority will be given to immediate family for entrance into the event. Bleachers will be marked with tape to indicate where not to sit. Spectators will be asked to sit in the bleachers and not stand in areas of public walkways.

The current health orders do not allow for dances at school.

Outdoor: The current health order allows for gatherings of more than 250 people or 50% of venue capacity not to exceed 1000 people, whichever is greater. Spectators will need to be seated by family groups. Priority will be given to immediate family for entrance into the event. Bleachers will be marked with tape to indicate where not to sit.
