Corrigan – Camden ISD Family Engagement Plan

Corrigan – Camden ISD believes that all parents, teachers, and community leaders are a valuable link in the educational success of all students. We promote the involvement of key stakeholders by including them in the process that allows them to contribute to our school community providing input regarding the services offered in an effort to maximize the quality of education for our students. We have established a Family Engagement Plan to increase the collaboration between all stakeholders. We welcome and respect the active participation of our community / business leaders, teachers, and parents.

Components	CCISD Strategic Plan
Facilitate family-to family support	CCISD will include Parental Involvement activities to form campus-family relationships, and provide parents with opportunities to participate in district and campus initiatives, such as: • Family make-n-take Night • Parent conferences (with teacher, counselor, or administrator) • Meet the teacher • Report card pick-up two times a year • Parent Volunteer Opportunities • Grandparent Luncheon • Thanksgiving Luncheon
Establish a network of community resources	CCISD in partnership with community and faith-based organizations will establish resources that provide services to the students, in an effort to equip parents and caregivers with skills needed to have a healthy and productive family. Some of the resources will be: • ADAC (drug and alcohol counseling) • Texas Health and Human Services (food stamps) • Lions Club (eye exams) • East Texas Food Bank (backpack program for weekend nutritional needs) • Salvation Army • Child Find – Early identification of students with special needs • City Public Library
Increase family participation in decision making	CCISD encourages family participation in decision making. Their contributions are crucial to a well-rounded and well thought out plan that will facilitate support for all stakeholders and impact positive student achievement. Parents will be invited to participate and serve in: • Campus Improvement Team • District Improvement Team • Student Health Advisory Council • Scheduled campus-level parent meetings

	• Invite family feedback and suggestions with regard to activities being provided
Equip families with tools to enhance and extend learning.	CCISD will equip families with learning opportunities to enhance and extend learning by providing: • Campus Literacy Events – book fairs, read to succeed activities • Make and take parent sessions to support student learning at home • Information to access public library
Develop staff skills in evidence-based practices that support families in meeting their children's learning benchmarks.	CCISD's goal is to offer staff development to support teachers in helping so that their children reach learning benchmarks. Offer staff development such as CLI engage, Region VI trainings, and campus training addressing services available for parents. • Utilizing class dojo, or other classroom notification systems, to involve parents in the education of their children on a daily or weekly basis • Individualize parent/teacher conferences to discuss learning goals and progress toward meeting those goals at home. • Help teachers grow their leadership abilities by having them conduct make and take sessions with parents.
Evaluate family engagement efforts and use evaluations for continuous improvement	Trainings, workshops, meetings, and parental involvement activities are followed with an evaluation which provides parents the opportunity to express their views on the value of the activity. • Use parent input to provide valuable information in the planning, development and implementation of programs for the district • Surveys • Complete evaluation data and use it to plan and implement a more effective Parental Involvement Program
