

#### Hotspot Information

If you are having trouble with your C-CISD Verizon Hotspot, do not call Verizon. Please call Kathy at 936-398-2341 ext 8004. Kathy's email is krushing @ccisdtx.com. You may also email technology @ccisdtx.com.

At the current time, we do not have ANY unlimited Verizon Hotspots for parents. If you would like to be on the wait list, email Kathy and leave your phone number. She will get in touch with you when we have one available. DO NOT FILL OUT THE PAYPAL HOTSPOT PAYMENT FORM UNTIL SHE CALLS YOU. The form is only for parents who currently have hotspots or who are informed that a hotspot is available for them.
