PERFECT ATTENDANCE

Students may maintain a perfect attendance record by attending classes each day school is in session and must be present from 8:00 a.m. – 3:00 p.m. for Elementary students and 7:45 a.m.-2:45 p.m. for Primary students.

ABSENCES

Students who arrive after 9:30 a.m. or check out prior to 1:30 p.m. will be counted absent one half day. When students miss seven (7) days in a semester, parents, guardians, and persons in loco parentis will be notified.

EXCUSED ABSENCES DEFINED

More than thirteen (13) unexcused absences in a semester will be considered excessive. The Department of Human Services or a Juvenile Court Officer will be contacted for students with more than thirteen (13) unexcused absences in a semester. The State Board of Education pursuant to ACT 473 recognizes two types of absences of students in the school districts in Arkansas, excused and unexcused. An excused absence is defined as one in which the student was absent for one of the following reasons:

- Personal illness of student
- Official school-sponsored activities
- Documentation of court appearances
- Documentation of medical appointments
- Serious illness in the immediate family (parent, guardian, sibling, grandparent, child)
- Death in the immediate family (same as above)
- Any circumstance not covered above which the Principal determines is excused.

DISTRICT PROCEDURE WHEN EXCESSIVE DAYS ARE MISSED

When excessive days are missed, the school district is required by law to notify the Faulkner County Juvenile Court. Parents, guardians, or persons in loco parentis shall be subject to a civil penalty of up to five hundred dollars ($500.00) plus court costs and any reasonable fees assessed by the court.

EARLY CHECKOUT OF STUDENTS

Students arriving after 8:00 or checking out early must always be signed in or out from the office by a parent, guardian, or designee.

Important points to remember about early checkouts:

- A student may not leave school directly from the classroom.
- Parents or designated persons must check the student out on the checkout sheet on the counter in the office. The office staff will call the student to the office.
- Routine early checkouts (tardies) are discouraged as this creates classroom disruptions and instruction will be missed.
- We encourage parents to schedule doctor and dental appointments after school hours whenever possible.
- The persons who will be allowed to pick up a student from school during the school year must be listed on the student’s Enrollment Information Form. This form will be sent home with the
student at the beginning of the school year for revisions, but you may revise this at any time during the year.

- Please contact the school office if someone different from those listed on the Enrollment Information Form is to pick up your child from school.

**STUDENT RECORDS**

Each school maintains academic and health records for each student. The principal or designated school official must be contacted when inquiring about all academic and personal records. These records are considered confidential and can only be inspected by parents, school officials, and students who are 18 years of age, or who are attending an institution of postsecondary education. These records are maintained in a secured location. In order for records to be released, written consent must be obtained from the parents of the student, except in the following cases:

1. Other school officials within the same school may request and receive a student’s record.
2. Officials of other schools or school systems in which the student has enrolled may request and receive a student’s records.

Vilonia School District does not distinguish between a custodial and noncustodial parent, or a non-parent such as a person acting in loco parentis or a foster parent with respect to gaining access to a student’s records. Unless a court order restricting such access has been presented to the district to the contrary, the fact of a person’s status as parent or guardian, alone, enables that parent or guardian to review and copy his child’s records.

If there exists a court order which directs that a parent not have access to a student or his records, the parent, guardian, person acting in loco parentis, or an agent of the Department of Human Services must present a file-marked copy of such order to the building principal and the superintendent. The school will make good-faith efforts to act in accordance with such court order, but the failure to do so does not impose legal liability upon the school. The actual responsibility for enforcement of such court orders rests with the parents or guardians, their attorneys and the court which issued the order.

**Eagle’s Landing**

This before and after school program is available for kindergarten through sixth grade students. Eagle’s Landing is open from 6:00 a.m. until school begins and from when school ends until 6:00 p.m. Contact your school’s office for more information.
Both schools provide the following services to assist students:

1. Gifted/Talented – CLUE (Creative Learning in a Unique Environment)
2. Accelerated Reader
3. Vilonia Parent Center – Jeanne Grissom
4. Methodist Family Counseling Services
5. Title 1
6. Special Education
7. Speech Therapy
8. Computer Lab
9. Response To Intervention (RTI) is the school district’s pre-referral process that has been developed as mandated by the reauthorization of the Individuals with Disabilities Education Act (IDEA) of 2004. The function of the RTI team is to receive pre-referrals; meet, develop, and assist with implementation of an appropriate intervention plan for the student. For a parent referral, the parent should submit in writing, to the classroom teacher or building principal, specific reasons why their child should be considered for a referral.

GRADING REQUIREMENTS

Grades assigned to students for performance in a course or subject shall reflect only the extent to which a student has achieved the expressed academic objects of the course or subject. Teachers may also include other educational objectives such as those relating to student learning expectations contained in the Arkansas State Standards in determining a student’s grade. Kindergarten through 2nd grade will have a list of skills to be mastered each nine weeks.

HOMEWORK AND STUDENT PROGRESS

HOMEWORK
The staffs of both schools believe that homework is an important element of student learning and achievement. Students must be encouraged to become actively involved in learning and to accept responsibility for their own progress and achievement at home as well as at school. Homework is an essential element of the total instructional program which allows students extended time to master basic skills, concepts, and learning objectives. Homework is generally not assigned on Wednesdays or weekends.

Homework must be planned to provide:
1. Positive success experiences.
2. Reinforcement and extension of learning.
3. The opportunity to manage self-guided learning away from school.
4. The possibility for communication with parents regarding learning and involvement of parents and others in the learning process.

Homework assignments will:
1. Extend the learning and curriculum of the classroom.
2. Relate directly to the curriculum and current learning objectives.
3. Be on an appropriate level for the student.
4. Be explained by the teacher so that students understand objectives, procedures, content, and expectations.
5. Encourage students to develop management strategies and the skills for lifelong learning and independent study.

REPORTING STUDENT PERFORMANCE
Each school within the Vilonia School District will, through its teachers and staff, communicate personally with the parent(s) or guardian(s) of each student during the school year to discuss the student’s academic progress. More frequent communication is required when students are not performing at the level expected for their respective grade levels. All schools will schedule two (2) parent-teacher conferences during each school year. Notice of conference dates will be communicated to parents and guardians of students at all grade levels. Conferences will be scheduled at a time and place that best accommodates those participating in the conferences. Each school shall document participation or nonparticipation in required conferences. An Interim Progress Report will be sent home each nine-week period to the parents of each student. This report will be sent home with the student to be signed by the parent and returned to the student’s teacher. Report Cards will be sent each nine week period and should be signed and returned promptly. Parent/Teacher Conference Days have been scheduled. (Please see calendar.) Other conferences will be scheduled as needed. Telephone calls will be made or emails can be sent to informally request or share information. Letters and notes will be written when appropriate. Teachers are pleased to discuss your child’s progress with you but will not be available for phone calls, conferences, or emailing during class time.
PROMOTION AND RETENTION OF STUDENTS

One of the most important responsibilities of any school is to determine grade level placement in which each student can best achieve academic success. Students will be promoted to the next grade level if satisfactory academic achievement, including required assessments, has been made. “Satisfactory” is defined as meeting the following criteria:

- Passing report card grades in reading, language, and math
- Acceptable DRA reading levels, including appropriate fluency rate:
  - ✓ Kindergarten @ level 4
  - ✓ 1st @ level 16
  - ✓ 2nd @ level 28
  - ✓ 3rd @ level 30+

- Kindergarten students should demonstrate mastery of number concepts, and be able to perform simple addition/subtraction.
- Student assessment status as related to state testing level: Exceeding, Ready, Close, Need of Support
- Retention will be considered for a student with excessive absences.

A student will be retained if in the judgment of a retention committee, the student has better opportunity for academic success as a result of retention. The retention committee consists of the classroom teacher, guidance counselor, and principal.
SCHOOL RULES AND BEHAVIOR EXPECTATIONS

The school rules and regulations are intended to promote an atmosphere that is conducive to learning, as well as ensure the protection of the rights of each student. Inherent to a democratic society is the fact that rights entail responsibilities. Self-respect and respect for others are major goals for a disciplined environment. Students have the right to avail themselves of an education; however, students have a responsibility not to interfere with the educational rights of other students. It is necessary that children learn to progressively develop self-discipline in order to further their learning. We ask that you discuss with your child the importance of and need for good behavior and a good attitude while at school. We will not tolerate bullying, harassment, fighting, disrespect toward others, obscene language, or destruction of school property. Students who break rules continuously will be sent to the office and handled accordingly. If problems reoccur, parents will be called to help resolve the problem.

1. I will be kind and show respect to others.
2. I will take care of our school.
3. I will work hard.
4. I will be safe.

DISCIPLINARY ACTIONS

The minimum penalty for student misconduct will be a verbal warning and the maximum penalty will be expulsion by the Vilonia School Board or legal action dependent upon the severity and frequency of the misconduct. Consequences may be one or a combination of, but not limited to the following:

*Conference with principal  *Referral to the counselor  *Parental notification
*Conference with parent  *Loss of privileges or recess  *Corporal Punishment
*Loss of conduct points  *Separation from group  *Suspension or expulsion
*Referral to an Alternative Learning Environment  *Reprimand or verbal warning

CORPORAL PUNISHMENT

Any certified employee, designated by a building administrator, is authorized to administer corporal punishment when in the judgment of the employee; corporal punishment is the appropriate discipline. Every effort will be made to contact parents prior to administration of corporal punishment. Corporal punishment will be witnessed by a certified teacher or administrator but never in the presence of another student. The administering certified employee will file a report in the student’s file and also with the principal. Parents will be given a written explanation, if such is requested. Parents who do not want their child paddled should request a DENIAL OF CORPORAL PUNISHMENT form in the school’s office.

BUS TRANSPORTATION

While our district provides a system of transportation, it also requires parents of students to accept responsibility of supervision until the child boards the bus in the morning and after the child leaves the bus at the end of the day. Since the bus is an extension of the classroom, it is a requirement that children conduct themselves in a manner consistent with standards for classroom behavior.
The purpose of the transportation department is to provide the safest, most efficient transportation possible for those students who are to be transported to and from school. Our buses are full. All matters concerning bus transportation should be directed to Ms. Theresa Alcon, Director of Transportation, at 796-8160.

**Bus Rules:**

1. Be at the bus stop at the scheduled time. It is not practical for the bus driver to wait on riders at bus stops because such delays will result in the bus route taking much longer to run.
2. Stand back about 10 feet from the bus stop and wait until the door is opened before moving close to the bus. Do not play on the highway or road. If you miss the bus, do not attempt to hitch hike a ride or walk to or from school.
3. While loading or unloading, enter or leave the bus orderly and quickly.
4. While riding the bus, students are under the supervision of the driver and must obey this person at all times. The driver has the authority to temporarily suspend a student from riding the bus.
5. No knives, sharp objects, firearms, live animals, glass containers, or gift balloons will be allowed on buses.
6. Each student must be seated before the bus is put in motion.
7. Students are not to tamper with any of the bus safety devices such as door latches, fire extinguishers, etc. Riders must stay seated while the bus is in motion and must not move while the bus is stopped except as the driver directed. Students are not to put their hands, arms, heads or bodies out of the windows. Yelling at persons outside the bus is also not permitted.
8. Students are expected to conduct themselves in a manner that will not distract the attention of the driver or disturb other riders.
9. Students are not to deface the bus or any other school property. Writing on the bus or damaging seats will result in the student and parent/guardian being responsible for cleaning, repair or replacement of the property.
10. Students are responsible for helping keep buses clean and are not to throw paper or other objects on the bus floor.
11. Eating and drinking on the bus is not permitted.
12. Smoking or use of tobacco is not permitted.
13. Aisles are to be kept free of books, lunches, coats, and other personal belongings. Students are also to keep their feet out of the aisles while seated.
14. Students will not be let off the bus anywhere other than their designated bus stop unless a person is released directly to his/her parent or guardian or unless written permission is given to get off at another location by the parent/guardian and principal.
15. When a student must cross a road or highway to catch the bus, he or she should cross in a safe manner prior to the bus arriving or, if the bus arrives before the student crosses the road or highway, the student is to wait until the bus has come to a complete stop and cross only after the driver has signaled.
16. Students may not ride any bus other than the one on their designated route unless the parent/guardian and principal grant permission and, such permission must be copied in the school office and communicated to the driver.
17. Cell phones are not to be used in any manner while on the school bus. These rules do not cover all situations on all bus routes. Drivers may use discretion in implementing rules, which ensure safety of students in special or unusual situations.
RIDING A VILONIA SCHOOL BUS IS A PRIVILEGE, NOT A RIGHT. THE ONLY OBLIGATION OF THE SCHOOL DISTRICT IS IF WE TRANSPORT ANY STUDENTS THAT IT BE DONE IN A SAFE MANNER. ANY STUDENT WHO DISPLAYS UNACCEPTABLE CONDUCT OR AN UNCOOPERATIVE ATTITUDE MAY LOSE THE PRIVILEGE OF RIDING A BUS AND CONDUCT POINTS.

PARENT CONCERNS & DUE PROCESS

In the event that parents or guardians need to resolve a problem or address a concern within their school, it is sometimes difficult to know where to begin. As a general rule of thumb, it is usually best to attempt to resolve any problem at the point of origination.

If the concern originated in the classroom:
1. The teacher should first be allowed to address the situation.
2. Building level administration should then be approached.
3. Central Office administrators make up the next level.
4. If the problem remains unresolved, a parent or guardian may request a meeting with the Vilonia School Board.

For building issues, building administrators comprise the first level.
For a district issues, Central Office administrators should be contacted first.

BULLYING AND CYBERBULLYING

Act 1437 of 2005 required school districts to adopt Anti-Bullying Policies. For the purpose of this policy, “bullying and cyberbullying” are defined as; when a student or faculty member is exposed repeatedly and over time, to intentional negative actions on the part of one or more students. It may include but not be limited to, repeated intimidation of others by real or threatened harm (written, verbal, physical or emotion abuse) to another student or their property. Examples may include, but not be limited to intentional name calling, verbal taunts, ethnically based or gender-based verbal put-downs, extortion of money or possessions and threats to hurt, maim, or kill. Please explain to your child the disciplinary possibilities when these activities occur at a public school.

Bullying and cyberbullying are prohibited by the Vilonia School District. Specifically, students are prohibited from bullying and cyberbullying while on school property, while attending any school sponsored activities, and on any school provided transportation, or at any school bus stop. School employees who witness bullying or cyberbullying, or have reliable information that a student has
been the victim of bullying or cyberbullying, as defined in this policy, shall report the incident to the building principal immediately. **Students who are involved in the bullying or cyber bullying of another student or faculty member are subject to disciplinary action. The discipline for the offence of bullying or cyberbullying will range from a parent conference to expulsion.**

**STUDENT DRESS**

Both home and school need to cooperate in the matter of student dress. Students’ appearance should not be disruptive to the learning environment. Hair and/or face paint are not allowed. Pajamas should not be worn to school (except for special school events). Students should always dress appropriately for the weather. Students shall not wear clothing, footwear or other items that:

- advertise controlled or illegal substances.
- have sexually suggestive words or pictures.
- expose the shoulders, chest, buttocks, mid-section or has large holes, including see-through clothing, spaghetti straps, or halter tops.
- are shorter than mid-thigh in length. (shorts, skirts and/or skorts)
- hats are not to be worn in school.
- tennis shoes should be worn for PE classes

*Please mark all articles for identification!*

*The principal has final discretion.*

**GUIDANCE SERVICES**

The Vilonia School District will provide guidance and counseling services to all students as prescribed by the regulations of the State of Arkansas. The district will endeavor to employ high qualified and certified school counselors to provide educational, vocational and personal counseling for all students. The Counseling Department of the district will work together as a team to provide assistance to students, faculty and administration. All counselors will receive opportunities for professional growth which will allow them to learn new strategies and services which can assist all students.

**HEALTH SERVICES**

When medication is required during school hours, the student must bring the medicine in its commercially labeled container and must return a completed medication form signed by his/her parent of guardian explaining proper dosage instructions. Medication should be brought only on a day-to-day basis unless other arrangements have been approved by the nurse.
If there is a need to give medication on a long-term basis for convulsive disorders, ADD/ADHD, asthma, etc., a doctor's statement is required by the school in order for the school to give the medication during the school day. The doctor's statement must include a summary of any reaction that might occur.

The school does not keep Tylenol or similar medications for student use. Cough drops, aspirin, Tylenol, etc., are considered medications and will not be administered unless you send the medicine and the above procedures are followed. If a student becomes seriously ill at school, we will contact his/her parents immediately. If we cannot reach them, we will use the emergency contact information they have provided. Please remember, we cannot keep seriously ill children in school.

If a student is injured at school, we will make him/her comfortable and then call his/her parents immediately if a serious injury has occurred. If they cannot be reached, we will attempt to contact the emergency numbers listed on the Student Enrollment Form.

**THE MAXIMUM CHARGE AMOUNT IS $9.00**

Students will not be allowed to charge more than $9.00 in the cafeteria for lunch and/or breakfast. Approval from the building principal will be required for a student to receive a regular meal from the cafeteria if the $9.00 limit has been reached. Three days of breakfast and lunch in the cafeteria totals $9.00. On the front of any envelope, the child's name, teacher's name, and explanation of exactly how the money is to be used should be written and sent to the teacher. This will help assure that the money will be properly credited to the correct student. Students will be served a sandwich and a carton of milk until all charges are paid. In order to allow our cafeteria enough time to settle all accounts, the last day to charge a meal in the cafeteria will be May 1st.

**EZSchoolPay.com**

EZSchoolPay.com is a website that offers parents and guardians a way to keep track of their child's cafeteria account. Online payments to that account are also an option for a transaction fee. For more information, log on to: [http://www.ezschoolpay.com/](http://www.ezschoolpay.com/)
CONTACT BY LAW ENFORCEMENT, SOCIAL SERVICES, OR BY COURT ORDER
State Law requires that Department of Human Services employees, local law enforcement, or agents of the Crimes Against Children Division of the Department of Arkansas State Police, may interview students without a court order for the purpose of investigating suspected child abuse. If alleged maltreatment of a child by parent, guardian, custodian, or person standing in loco parentis is named and the alleged offender is being investigated by the Crimes Against Children Division of the Department of Arkansas State Police, or an investigator, or employee of the Department of Human Services, the principal or the principal’s designee shall not attempt to make contact with parent, guardian, custodian, or person standing in loco parentis.

CONTACT BY NON-CUSTODIAL PARENTS
If there is any question concerning the legal custody of the student, the custodial parent shall present court documentation to the principal establishing the parent’s custody of the student. It shall be the responsibility of the custodial parent to make any court ordered “no contact” or other restrictions regarding the non-custodial parent known to the principal by presenting a copy of a file-marked court order. Without such a court order on file, the school will release the child to either of his/her parents. Non-custodial parents who file with the principal a date-stamped copy of current court orders granting visitation may eat lunch or otherwise have contact with their child during school hours. Prior approval from the school’s principal is always appreciated and encouraged. Such contact is subject to the limitations outlined in Policy 4.16, Policy 6.5, and any policies that may apply.

TRANSFER OF STUDENT BETWEEN CUSTODIAL AND NONCUSTODIAL PARENT
Unless prior arrangements have been made with the school’s principal, Arkansas law provides that the transfer of a child between his/her custodial parent and noncustodial parent, when both parents are present, shall not take place on the school’s property on normal school days during normal hours of school operation.

PLACEMENT OF MULTIPLE BIRTH SIBLINGS
The parent, guardian or other person having charge or custody of multiple birth siblings in grades pre-K through 6th may request that the multiple birth siblings are placed in either the same or separate classroom. The request shall be in writing no later than the 14th calendar day prior to the first day of classes at the beginning of the academic year. The school shall honor the request unless it would require the school to add an additional class to the sibling’s grade level. If one parent of multiple birth siblings requests a placement that differs from that of the other parent of the same multiple birth siblings, the school shall determine the appropriate placement of the siblings. The school may change the classroom placement of one or more of the multiple birth siblings if:

1. There have been a minimum of 30 instructional days since the start of the school year and after consulting with each classroom teacher in which the siblings were placed, the school determines the parent’s classroom placement request is:
   Detrimental to the educational achievement of one or more of the siblings;
   Disruptive to the siblings’ assigned classroom learning environment; or;
   Disruptive to the school’s educational or disciplinary environment.
CLASSROOM PARTIES
All classes will have a minimum of two classroom parties each year: Christmas and Valentine’s Day. All food items brought to school for the parties must be commercially produced. In compliance with Arkansas Rules Governing Nutrition and Physical Activity Standards in Arkansas Public Schools, parents/guardians may not bring or send homemade food items to school.

BIRTHDAY PARTY INVITATIONS
Invitations, advertisements, or flyers may not be distributed at school.

ANIMALS, PETS, ELECTRONIC DEVICES, CELLULAR PHONES, TOYS, TRADING CARDS
For safety and health reasons, no animal or pet may be brought to school without permission from the principal. Animals and pets may not be transported on the bus or in glass containers. Toys, including stuffed animals, sports balls and trading cards of any sort are generally not allowed at school. Exceptions will be made for occasional, specific classroom/instructional reasons. Wireless Devices, MP3 players, CD/tape players/recorders, laser pointers, beepers, cell phones, or other non-instructional devices/items may not be brought to school without permission from the principal. Under special circumstances, students may leave a cell phone in the principal’s office until the end of the school day. Cell phones or other wireless devices or electronic devices are not to be used on the school buses.

CARE OF TEXTBOOKS AND LIBRARY BOOKS
Students are responsible for all textbooks and library books issued to them during the school year. Books must be paid for if lost or damaged. All monies collected are recorded by the school bookkeeper and paid to the proper fund for replacement purposes. If a lost book is later found, money previously paid will be refunded. Lost/damaged books or other school property, if not paid for by the end of the school year, report cards will be held in the principal’s office until the account is paid in full.

ID BADGES
Students and staff may wear identification badges at school for safety and security reasons. Students leave their badges at school and do not take them home. One badge is provided free of charge for each child. The additional cost for lost or damaged badges is $3.00.

INTERRUPTIONS
We strive to keep classroom interruptions to a minimum by only using the intercom for school-wide announcements at the end of the school day. Please help us maintain an optimal learning environment by always coming to the office first whenever you visit our school.

VES/VPS PARENTAL INVOLVEMENT PLAN SUMMARIES

Our staff understands the importance of involving parents and the community as a whole in promoting higher student achievement and general good will between the school and those it serves. Therefore, Vilonia Primary shall strive to develop and maintain the capacity of meaningful and productive parental and community involvement that will result in partnerships that are mutually beneficial to the schools, students, parents, and the community.

To achieve such ends, Vilonia Primary shall work to:

- Provide additional information to parents and increase parental involvement in supporting classroom instruction:
- Inform parents about parental involvement programs, meetings, and other activities available during the school year.
- Provide information to parents about volunteer opportunities at VPS.
- Involve parents of students, staff to develop a school-parent-student compact
- VPS will provide opportunities for parents to be involved in the development, implementation and evaluation of the school-wide school improvement plan, and the Annual Title I Meeting to engage them in the decision-making processes regarding the school’s Title I, Part A Program.
- VPS with the help of our District Parent Center will provide various resources for parents.
- VPS will engage parents in the evaluation of our parental involvement efforts. Contacts Jeannie Grissom at 796-2050 for further information.
- An Annual Title I Meeting will be conducted during the first quarter for parents and students who participate in the Schoolwide Title I program.

Vilonia Elementary School is committed to excellence for our students! This is possible because of the great partnership between our parents and school. Parent involvement is an integral part of a successful program. We want our parents to feel welcome at VES. You are invited and encouraged to be actively involved in joining with us to provide the best possible educational experiences for the students of VES.

At Vilonia Elementary School we are committed to:

- Inform parents about parental involvement programs and opportunities through the school District website, VES Facebook and Twitter pages.
- Provide information to parents about volunteer and safety programs and parent organizations.
- Encourage parents to utilize the District Parent Center as a resource to provide students skill boxes to address individual needs, as well as the VES Parent Resource Center located in the VES library. Contact Jeannie Grissom at the District Parent Center at 796-2050 for further information.
- Encourage parents to attend and have input while attending Parent Involvement meetings, Title I planning meetings and Parent Teacher Volunteer Organization (PTVO) monthly meetings.
PARKING
Because of traffic congestion and safety concerns, we ask that you NOT park in the loading and unloading zones at the front entrance from 7:10a.m.-8:30a.m. and 2:30p.m.-3:45 p.m. If you must leave your vehicle during these peak loading and unloading times, please park your vehicle in a parking space.

SCHOOL INSURANCE
The district provides a limited accident insurance policy on every student. If you have any specific questions about this coverage, call Central Office at 796-2113.

TELEPHONE USE
Children are allowed to use the school telephone for emergencies only as determined by administration or other staff. Please make sure your child knows what he/she is to do after school before they leave home in the morning.

SCHOOL-SPONSORED EDUCATIONAL TRIPS (Field Trips)
- All students are required to have School-Sponsored Educational Trip Permission Slips signed by parent/guardians before being allowed to travel on any school-sponsored trip.
- Students are required to ride in school vehicles to the destination for educational field trips. Requests for exceptions to this must be approved by the building principal or assistant principal.
- Students may return from the activity with their parents provided the school official in charge agrees and the parent has signed the checkout sheet carried by the official-in-charge.
- Students riding from the trip destination with anyone other than the parent are required to submit written permission in advance, to school’s principal.
- Parents, grandparents or other adults should plan on traveling in private vehicles.
- Parents who have been asked to help chaperone, may ride the bus if the teacher/driver deems that space is adequate for extra riders.
- Pre-school age and other children are not allowed to participate in school-sponsored trips or ride the school bus.
- Students who do not return to school after a ½ day field trip will be counted absent ½ day.

STUDENTS GOING HOME OTHER THAN THE USUAL WAY
For a student to go home any way other than the usual way, the student must have a note signed by his/her parent or guardian. If a student does not have a signed note, he/she will be sent home the usual way.

PHONE AND/OR ADDRESS CHANGES
Please notify the school immediately if there is a change to your address, phone numbers, babysitter, or emergency contact information. This information is very important in case your child becomes ill or injured and for written correspondence sent by mail. To be effective, our Connect calling system requires updated phone numbers. We need your physical mailing address, not a post office box, for our records.

SEVERE WEATHER
When weather conditions make it dangerous for school buses to run, local radio stations and Little Rock television stations will announce school closings as early as possible. The schools may send out mass phone messages alerting parents of school closings. Many times it is impossible to predict the
road conditions in advance, so the decision on bus operation may have to be made shortly before regular bus departure time.

VISITORS
For the safety and security of our students and staff, all visitors (including parents) must check-in through the office. Sign in and pick up your visitor’s badge. Children who are not enrolled in this school may not attend classes. Parents are encouraged to come have lunch with their children periodically. If possible, please send a note or call ahead. A written note must be provided from a parent giving permission for their child to have lunch with anyone other than their own parent. We LOVE for parents to visit!!
