JH & HS Basketball Homecoming 2016 - 2017

Basketball homecoming for high school was held on December 2nd and for junior high is was held on December 15th. The homecoming dance was held after the games on December 2nd. The school wide dress up days for homecoming were held from Monday November 28th through Friday December 2nd.

The homecoming week celebrations kicked off with dress up day with the theme of “versus”. On Monday November 28th the students dressed “Classy vs. Trashy”. The winners that day were Luke Schneberger, Grace Schneberger, and Jordan Mason. On Tuesday they dressed up “Nerds vs. Jocks” and the winners were Ryden Kluth, Nevah Fuentz, and Donovan Young. Wednesday it was “Hero vs. Villain” and the winners were Chloe Gearhart, Christian Yates, and Makia Maxey. The students went all out on Thursday for “Old vs. Young”. The winners on Thursday were Alexa Green, Bethany Whitaker, and Nathan Atwood. The week ended on Friday with “Blue vs. Red” day and the winners were Trevor Teague, Abby Price, and Michael Harrell.

December 2nd at the Eagles vs. Arapaho game the high school queen and king were announced. The candidates were Seniors Lilly Schneberger and Cameron Carter, Juniors Raven Horn and Trayon Hill, and Sophomores Taylor Garcia and Landon Ringo. The queen and king are Taylor Garcia and Cameron Carter.

December 15th at the junior high Eagles vs Hobart game the junior high queen and king were announced. The candidates were 9th graders Makia Maxey and Brayton Mathews, 8th graders Grace Schneberger and Ryan Neeley, and 7th graders Leila Bland and Brayden Martinez. The queen and king are Grace Schneberger and Brayton Mathews.

DARE Students Receive Honors

DARE students took part in an essay contest to write about their experiences and what they took from the program that was recently held at Will Rogers Elementary. Gabbi Espinosa and Ivy Guoladdle received honors for their essays and Jaxon Selman won 1st place. He read his essay to the student body and did an excellent job!

The DARE program at Will Rogers Elementary is amaz-

ing and there are three folks that facilitate the wonderful opportunities given to the students, Mrs. McBee, Ms. Bookout and Officer Sonny Segler! Everyone at Will Rogers Elementary applauds them and appreciates their dedication and time that they give to teach the students the importance of being a good friend and saying NO to drugs and alcohol.

DARE Program a Success With Students

The Will Rogers fifth grade have finished their DARE program. The students participated in an essay contest as part of the culmination of the program and winners have been named. Students also received a pizza party!

Local police officer, Sonny Segler, has taught the fifth grade classes the D.A.R.E. program for the last 10 weeks. D.A.R.E. is Drug Abuse Resistance Education and administers a school-based substance

abuse, gang, and violence prevention program.

Police officers, Tony Willis and Sonny Segler, with EMT Jill Perriman brought pizza and lemonade for the fifth-graders! The students had all they could eat! They all want to thank the officers and the EMT for everything that they do to support them and help them see the advantages of not using drugs and alcohol.

Valerie Fite
WR Elementary Teacher

Pre-Kindergarteners Perform Thanksgiving Program

The Will Rogers pre-kindergarteners performed their Thanksgiving program on Friday morning, Nov. 18 at the school gymnasium.

The students were so pleased to present their program to parents, family, and friends. The program "Little Gobblers" consisted of songs and chants about Pilgrims, autumn, turkeys,

and other animals.

The students are taught by Ms. Jaclynn Balzer and Mrs. Megan Britton. Mrs. Kathy Shropshire assists as their aide. Mrs. Leann Black accompanied the students on the piano with Mrs. Valerie Fite directing.

T-1 Searching for Gingerbread Man

Monday December 12th, the T-1 class had an exciting day! The class has been reading and comparing different Gingerbread Man stories and tried to bake one of their own. A sad thing happened. Yep, you guessed it. The gingerbread man ran away. The T-1 class

heard tales that one of the office friends ate one of his legs. The students never did find that gingerbread man, but fortunately Mrs. Raleigh cooked some at home and brought them to school for them to decorate. They had a yummy time!

KG and T-1 Perform Turkey Tracks

Will Rogers Elementary kindergarten and transitional first performed their rendition of "Turkey Tracks" on Tuesday morning, November 22 in the Will Rogers Gymnasium.

The students performed in colorful costume for family and friends. The turkeys were busy trying to figure

out how "NOT" to be a part of the pilgrims' and the Indians' Thanksgiving feast. Teachers for the students are Mrs. Sheila Raleigh, Mrs. Donna Cansler, and Ms. Christa St. John. Mrs. Leann Black accompanied on the piano with Mrs. Valerie Fite directing.

4th Students Stay Busy Working

The 4th graders at Will Roger Elementary have had a busy month beginning with Thanksgiving. They have eaten feast, built houses, and villages.

They started off by eating an AUTHENTIC Thanksgiving feast. No turkey, potatoes or pumpkin pie. They experienced fowl, oysters, clams, sardines, sweet potatoes, corn on the cob and juiced apples for apple juice with pulp and no sugar. They kind of cheated when they made pumpkin pie in a bag, churned butter, and homemade whipping cream! The students had a super fun learning time!!

The 4th grade Science students have been study-

ing electricity. The students designed, created and built a structure for display December 9. Each structure had a working circuit. The circuit had a power source of battery, bulb and switch working to form light in their display.

The students continued practicing their building skills by designing and building gingerbread houses. They brought supplies from home and a creative spirit. The classes used 2 afternoons to use their Christmas mood to create a gingerbread house on display in the elementary hallways. The gingerbread houses will be donated.

BF-DC Holds 3rd Grade Science Day

On Friday, December 2, the BF-DC Math and Science Club hosted their semi-annual 3rd Grade Science Day. This event was instituted 3 years ago to expose the 3rd grade class to the excitement and wonder of high school science in hopes of sparking their interest in academics and, in particular, the sciences. It also allows the high schoolers to practice research, organization, and presentation skills – and to show off their hard-earned knowledge about science. Forty-two third graders from Will Rogers Elementary came to BFDC High School immediately after lunch to view demonstrations chosen and performed by students from the Chemistry and Physics classes. There were 11 separate performances demonstrating various science concepts such as combustion, chemical reaction gas formation, electricity, cryogenics, solar energy, fire, fluorescence, gravity, and the Combined Gas Laws. There was everything from smoke rings to sparking gummies to a hovercraft!

The afternoon began with a welcome and introduction hosted by Mr. Price in the old gymnasium. Then the third graders were split into 2 groups, with one group going to the lab for demonstrations, and the other group viewing some fascinating demonstrations in the gym, along with each 3rd grader getting a hovercraft ride. Halfway through, the two groups exchanged places so that everyone was able to participate in all the fun. Both the third graders and the high school students thoroughly enjoyed the day, and plans are to host another Science Day near the end of the school year! The high school students that participated are Kelsey Briggs, Christopher Clark, Kirsten Cooley, Katarina Cowley, Ryne Garrison, Zya-ne Gonzales, Landry Norris, Nathan Ross, Lilly Schnerberger, Ethan Stangl, Max Blankenship, Robert Cline, Brenden Estep, Caitlin Johnson, Jaron Mason, Jake Mooney, Katelyn Neeley, Dalton Powers, and Cody Shropshire.

HS Student of the Month for December

Trinity Jones is the junior Eagle of the Month for December. Trinity is the daughter of Anthony and Meribeth Jones and the granddaughter of Kathy and Bruce Kasper and Mae and Frank Bartlett. She has two siblings: Clayton and Dominic Jones. Her extra-curricular activities include art club. Trinity's awards include the Heart Saver award, many reading awards, and an award for color guard. For community service, she has volunteered at many nursing homes in Clinton, Oklahoma. After high school, Trinity plans on attending college to help better her career plans. Her fondest memory is her first time hunting with her dad and her uncle.

FFA Visit State Capitol

All is merry and bright here in the state of Oklahoma. On November 29 2016, the Burns Flat-Dill City FFA Chapter ventured to help spread the Christmas cheer at the state capitol. BF-DC along with two other chapters, Edmond and Thomas-Fay-Custer, were selected to escort students and help decorate trees throughout the floors of the capitol. 27 elementary schools with grades from 1st to 5th from across the state of Oklahoma were invited to help decorate a tree, each with a unique theme. Trees ranged from

Disney to even “Down on the Farm.” The day was filled with letters to soldiers, carols, and story-telling for the kids along with the FFA members. Even Saint Nick himself dropped by to visit with the members to make sure they were on their best behaviors. Afterwards, the members were invited to dine with the Secretary of Agriculture and discussed how they can make an impact in the future of agriculture as FFA members.

Band and Vocal Perform Christmas Concert

The BF-DC Band and Vocal classes worked hard to make the Christmas Concert on December 13th as memorable as possible. The vocal students sang “Silver Bells”, “White Christmas”, “Still, Still, Still”. They also sang and performed a wonderfully eccentric dance to “Santa Baby”. Band students successfully played “Jingle Jangle”, “Let it Snow”, and “Saxes We Have Heard on High”. The vocal students practiced adding emotion to their voices and Ms. Glover said they did a wonderful job.

Band attended the Mass Band at SWOSU on November 12th. There were about 1,600 band students on the field! Landry Norris also attended the All Seniors Honor Band.

The semester is over and the students are happy to say it has been a successful first semester with Ms. Glover.

HOROSCOPES

Aries- Be prepared anything and look for signs of good happenings this month.

Taurus- Keep your eyes open, a great adventure maybe coming your way in the next few weeks.

Gemini- There may be a significant change in your life in the next few weeks, but the change should be positive.

Cancer- Keep your head up for the next month and a bit of relaxation and fun times will come your way.

Leo- Be happy, the next month will be fantastic, just look forward to it.

Virgo- Your month will be a good one if you keep your eyes open and do new things.

Libra- A good change will come your way if you're focused and paying attention to the world around you.

Scorpio- Rough waters ahead unless you stay focused and remember to always do the right thing.

Sagittarius- You will need to be more curious if you want to find the good things hiding around the corner.

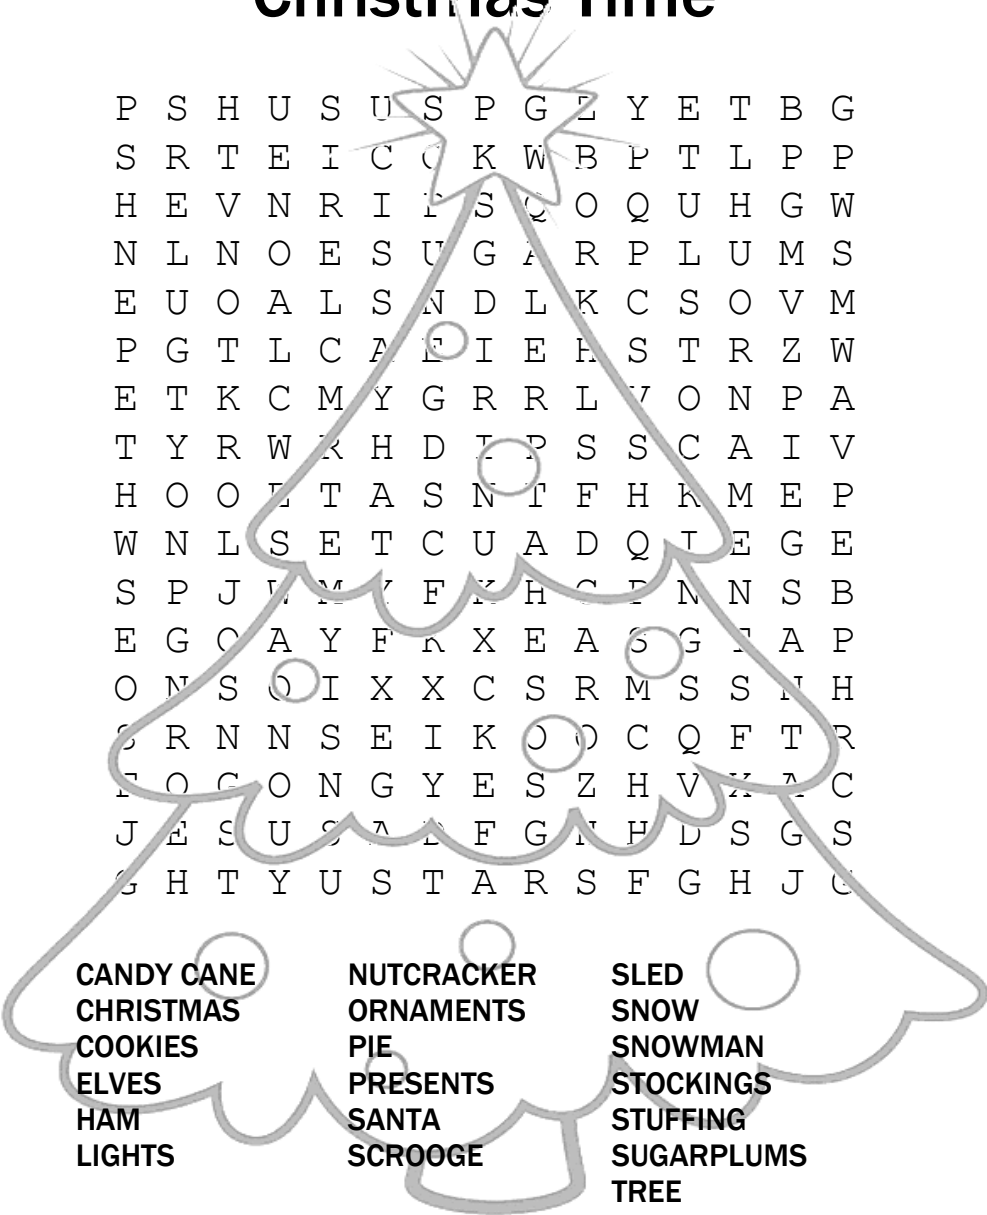

Capricorn- Look forward to meeting new people in the upcoming weeks and they may be someone special.

Aquarius- You need to let your hair down and relax. Take a breather and prepare for the New Year.

Pisces- Your life should stay on an even keel for the next few weeks. Relax and enjoy the calm.

Movie Review

Lights Out is a 2016 American supernatural horror film directed by David F. Sandberg, and produced by Lawrence Grey, James Wan and Eric Heisserer and written by Heisserer. It stars Teresa Palmer, Gabriel Bateman, Alexander DiPersia, Billy Burke and Maria Bello. The movie Lights Out is a horror movie about a demon that can only be seen in the dark, and she can only hurt people in the dark. She has control over the main character's mother and is attached to her soul. The only way you can kill her is if the mother dies. This movie is a movie designed with jump scares and dark scenes. Personally I didn't like how the design of the movie was laid out. It was very predictable and unoriginal. I'd give this movie 2 out of 5 stars.

Book Review

Bloodlines is a six part spin off of the award winning Vampire Academy series by Richelle Mead. It tells the adventure of alchemist Sydney Sage as she separates herself from her strict alchemy ways and begins to find her own views of the supernatural world. Falling in love with a vampire and breaking every rule in the alchemist handbook leads her into the most life threatening circumstances imaginable. This is an amazing series for anyone who loved Vampire Academy or books like it.

Book Review

No One Noticed the Cat by Anne McCaffrey is a great book. You would think it would be some kind of silly books about cats but instead you find it to be a great work of science fiction. Anne McCaffrey was one of the greatest science fiction writers to ever live. This book should be considered a work of art.

After the death of wise old Mangan, the Regent of Esphania, many of the regent's skills and qualities seem to have been transferred to his beautiful and intelligent cat, Niffy, who at once attaches herself to the new ruler, Prince Jamas. When the king of a neighboring kingdom seems keen to forge an alliance with Jamas by allowing the prince to marry his niece, the real danger is Yasmin, the wicked queen wife, who poisons everyone she dislikes or suspects of interfering with her ambitions. Now, Niffy must guide Jamas through a thicket of difficulties to save the Prince Jamas from a horrible fate!

5th and 6th Basketball

The BF-DC Will Rogers 5th and 6th grade basketball teams played Merritt on November 14th. The girls met with disappointment, with the girls losing 26-6. The 6th grade boys enjoyed a hard-fought 22-20 win.

The teams played Western Oklahoma Christian School on November 15th. The girls played a hard-fought game losing to WOSC in a tight game 9-6. The boys team jumped ahead of WOSC and led the entire game winning

23-14. Luke Schneberger led the scoring with Jaxon Selman, Tyler Swanson, Terry Connizzo, Chris Carter, Gage Stegall, and Robert Plaza contributing to the scoreboard.

The teams played Sentinel on December 14th and the scores will be reported in the next paper.

HS Boys Basketball Wins 2nd Place

The BF-DC Eagles boys basketball team has played their first 4 games and finished 2nd in their first tournament. They won 5 of the games they have played.

The boys played Mountain View-Gotebo on November 22nd at home. The Eagles dominated the game and brought home the win with a score of 72 to 26. On November 29th they played at home against Canute and won 67 to 55. Sadly in their third game against Arapaho the boys lost in overtime 58 to 60. The Eagles played Corn Bible Academy on December 6th and brought home their third win with a score of 67-37.

The Eagles hosted the BF-DC Invitational Tournament December 8th, 9th and 10th. The boys played three games. On Thursday December 8th they played Taloga and won 69 to 27. They played Corn Bible Academy on December 9th winning 24 to 12. In the championship game on Saturday December 10th the Eagles went up against Cordell. The Boys dominated the game until the 4th quarter and lost by a buzzer beater 3. The boys took 2nd in the tournament.
