

Board Public Hearing

Subject: 2016 School FIRST Public Hearing

BACKGROUND INFORMATION AND RECOMMENDATION

The 2017 School FIRST rating is based upon an analysis of financial data for fiscal year 2016 (the fiscal period ended June 30, 2016).

The Texas Administrative Code (TAC), Title 19, Section 109.1001, states that the purpose of the financial accountability rating system is to ensure that school districts will be held accountable for the quality of their financial management practices and achieve improved performance in the management of their financial resources. The system is designed to encourage Texas public schools to manage their financial resources better in order to provide the maximum allocation possible for direct instructional purposes. The system will also disclose the quality of local management and decision-making processes that impact the allocation of financial resources in Texas public schools. An evaluation of the long-term effectiveness of the system should disclose a measurable improvement in the quality of Texas public schools' financial decision-making processes.

Requirements:

The first of two required published newspaper notices, to inform taxpayers of the meeting, may not be more than 30 days or less than 14 days prior to the public meeting, in accordance with TAC, Title 19, Section 109.1005. The public meeting to present the School FIRST rating may be combined with a scheduled regular meeting of the board of trustees.
