

VOLUNTEER AGREEMENT

If you want to volunteer at our school in any capacity involving interaction with our students, we **MUST** have a signed agreement from you. A new agreement is required each school year.

Confidentiality

As community volunteer assisting within the Colcord Public School District, you have been authorized by the superintendent or his/her designee to act as a volunteer subject to the direction and control of the school's administrators and teachers. As a volunteer, you may, under limited circumstances, have access to student education records in connection with your authorized duties. Student education records include all records, files, documents, and other materials that contain personally identifiable information on any student (including student grades).

What I hear or observe about students or staff while volunteering at Colcord Public School will remain confidential.

By signing below, you agree to maintain the confidentiality of all student education records and information that you generate or to which you are given access as an authorized community volunteer. This means that you agree not to disclose student education records or personally identifiable student information in such records to any person other than the school administrator(s) and the teachers(s) with whom you are working. You understand and agree that your failure to maintain the confidentiality of all student education records to which you are given access may disqualify you from service as a volunteer in the District.

Thank you for your service and for your compliance with these important requirements.
