

EXTRACURRICULAR ACTIVITIES

The Colcord Board of Education believes that extracurricular activities take place in addition to regular schoolwork and fall outside the realm of the normal curriculum.

The board believes that participation in such activities should be available only to those students who are performing acceptable work in all other school-related areas. Students are subject to Rule 3: Section 2—Student eligibility during a semester in order to participate in extracurricular activities sponsored by Colcord Public Schools.

Students may participate in team sports at Colcord Public Schools subject to Oklahoma Secondary Schools Activity Association rules 1, 2, & 3 governing interscholastic activities in senior high schools. (See OSSAA rule manual on eligibility).
