

## **SCHOOL VISITORS**

It is the policy of the Colcord Board of Education that all visitors to any school facility obtain a visitor's pass at the building principal's office. Parents are requested not to send or allow siblings to visit students in the classroom.

Staff members are not normally expected to have personal visitors during the school day.

Agents or other persons shall not visit teachers during school hours for the purpose of selling books or other articles without written consent from the superintendent.

The superintendent or principal of any school shall have the authority to order any person<sup>1</sup> out of the school building and off the school property when it appears that the presence of such person is a threat to the peaceful conduct of school business, school activities, and/or school classes. This authority shall extend to the removal of any individual attending an official school activity or field trip where students are present, including an activity or field trip not on school property, when the superintendent or principal determines that a threat to the peaceful conduct of students exists. Any person who refuses to leave the school building or grounds after being ordered to do so by the superintendent or principal, shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than \$500.00 or by imprisonment in the county jail for not more than 90 days, or by both such fine and imprisonment.

Any person who is requested to leave the premises shall be unable to return to the premises without the written permission of the administration for a period of six months. A grievance or an appeal may be filed by the individual as per district policy GJ-P.

### **Classroom Visitation:**

In order to provide school children with a reasonable opportunity to study and learn, it is the policy of the Colcord Board of Education to restrict classroom visitation to a minimum.

Any person who needs to visit a classroom or other school facility must obtain permission from the building principal's office. Visitors on school property without permission may be asked to leave the premises.

The building principal is directed to establish appropriate procedures to insure compliance with this policy. Such procedures will include posting notices at the entrance to each school building. The notices will require visitors to report to the principal's office before visiting any classroom or other facility.

The principal is authorized discretion in permitting visitation, and the board of education declares its support of any decision made by a principal in denying visitation to any person.

Classroom visitors will respect classroom decorum and will not interrupt the class in any way. Visitors who disrupt the classroom in any manner will be required to leave the school grounds

### **Personal Calls:**

In order to keep classroom disruptions to a minimum, phone calls to students from parents/guardians will be put through only on an emergency basis. All other messages will be given to students between classes or at lunch. Students will be allowed to use the office phone only during their lunch period
